FOREWORD

My warmest thanks to all who have contributed to this, our MODULUS of 1962. The help of all those pictured herein has made our yearbook what it is. Every person shown within these covers has contributed to the significance of this book.

My special thanks to the members of the staff who have given so unselfishly of themselves in the production of this yearbook.

This annual is a pictorial study of the students of Tri-State College for the year of 1962: our camera has caught them in class, in the library, at dances, at games, in the cafeteria, and even at home.

And so the staff proudly presents the MODULUS of 1962.

Kenneth E. Kodger

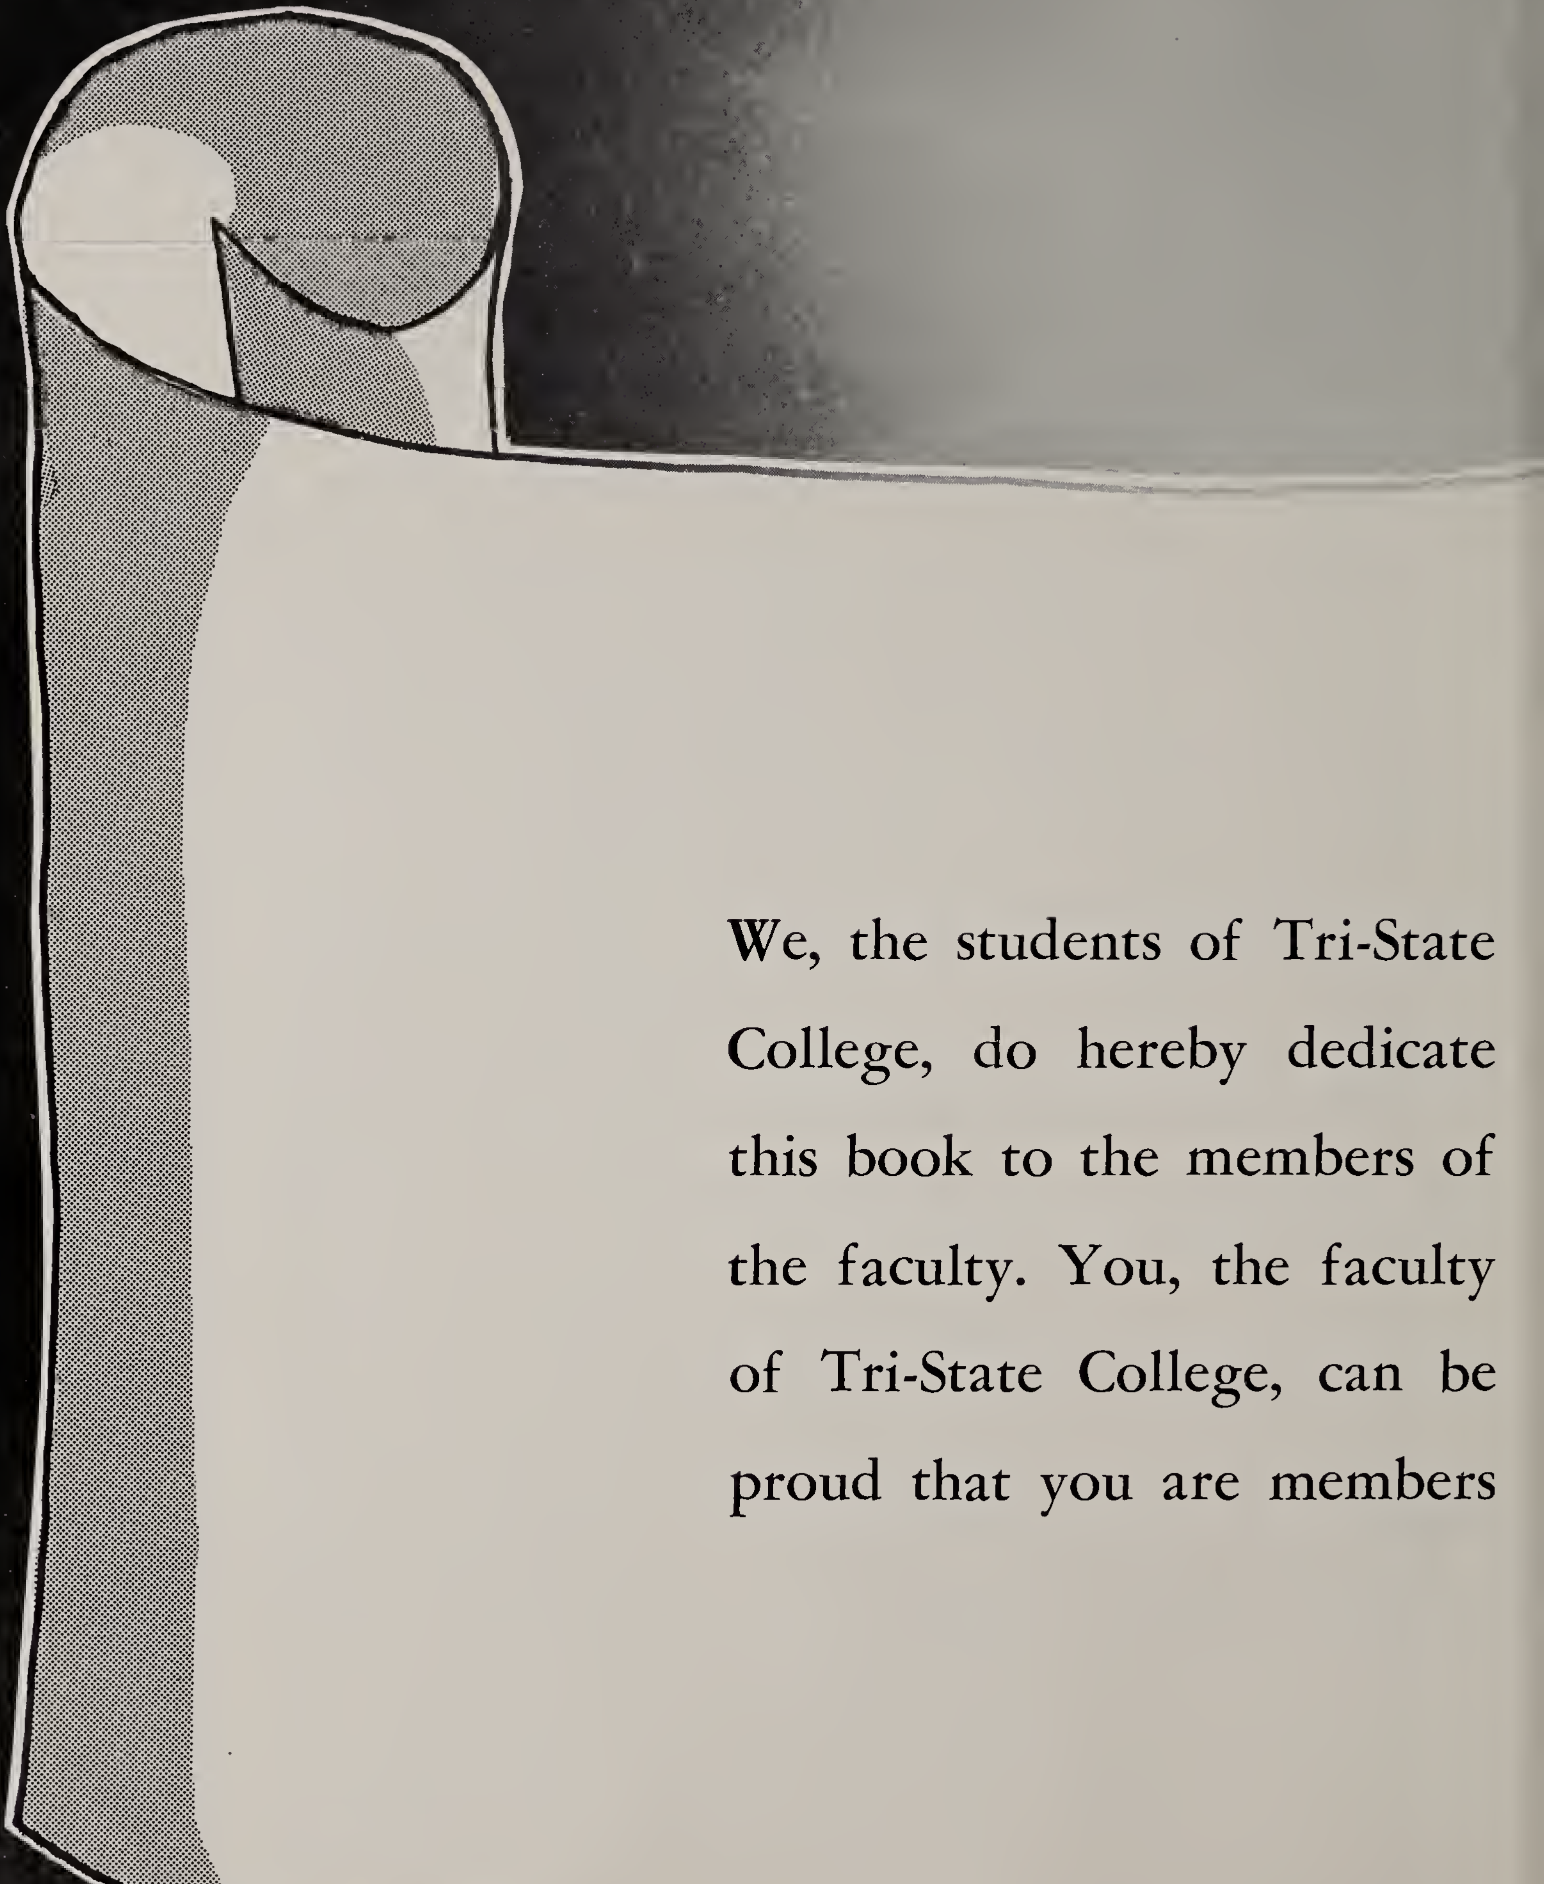
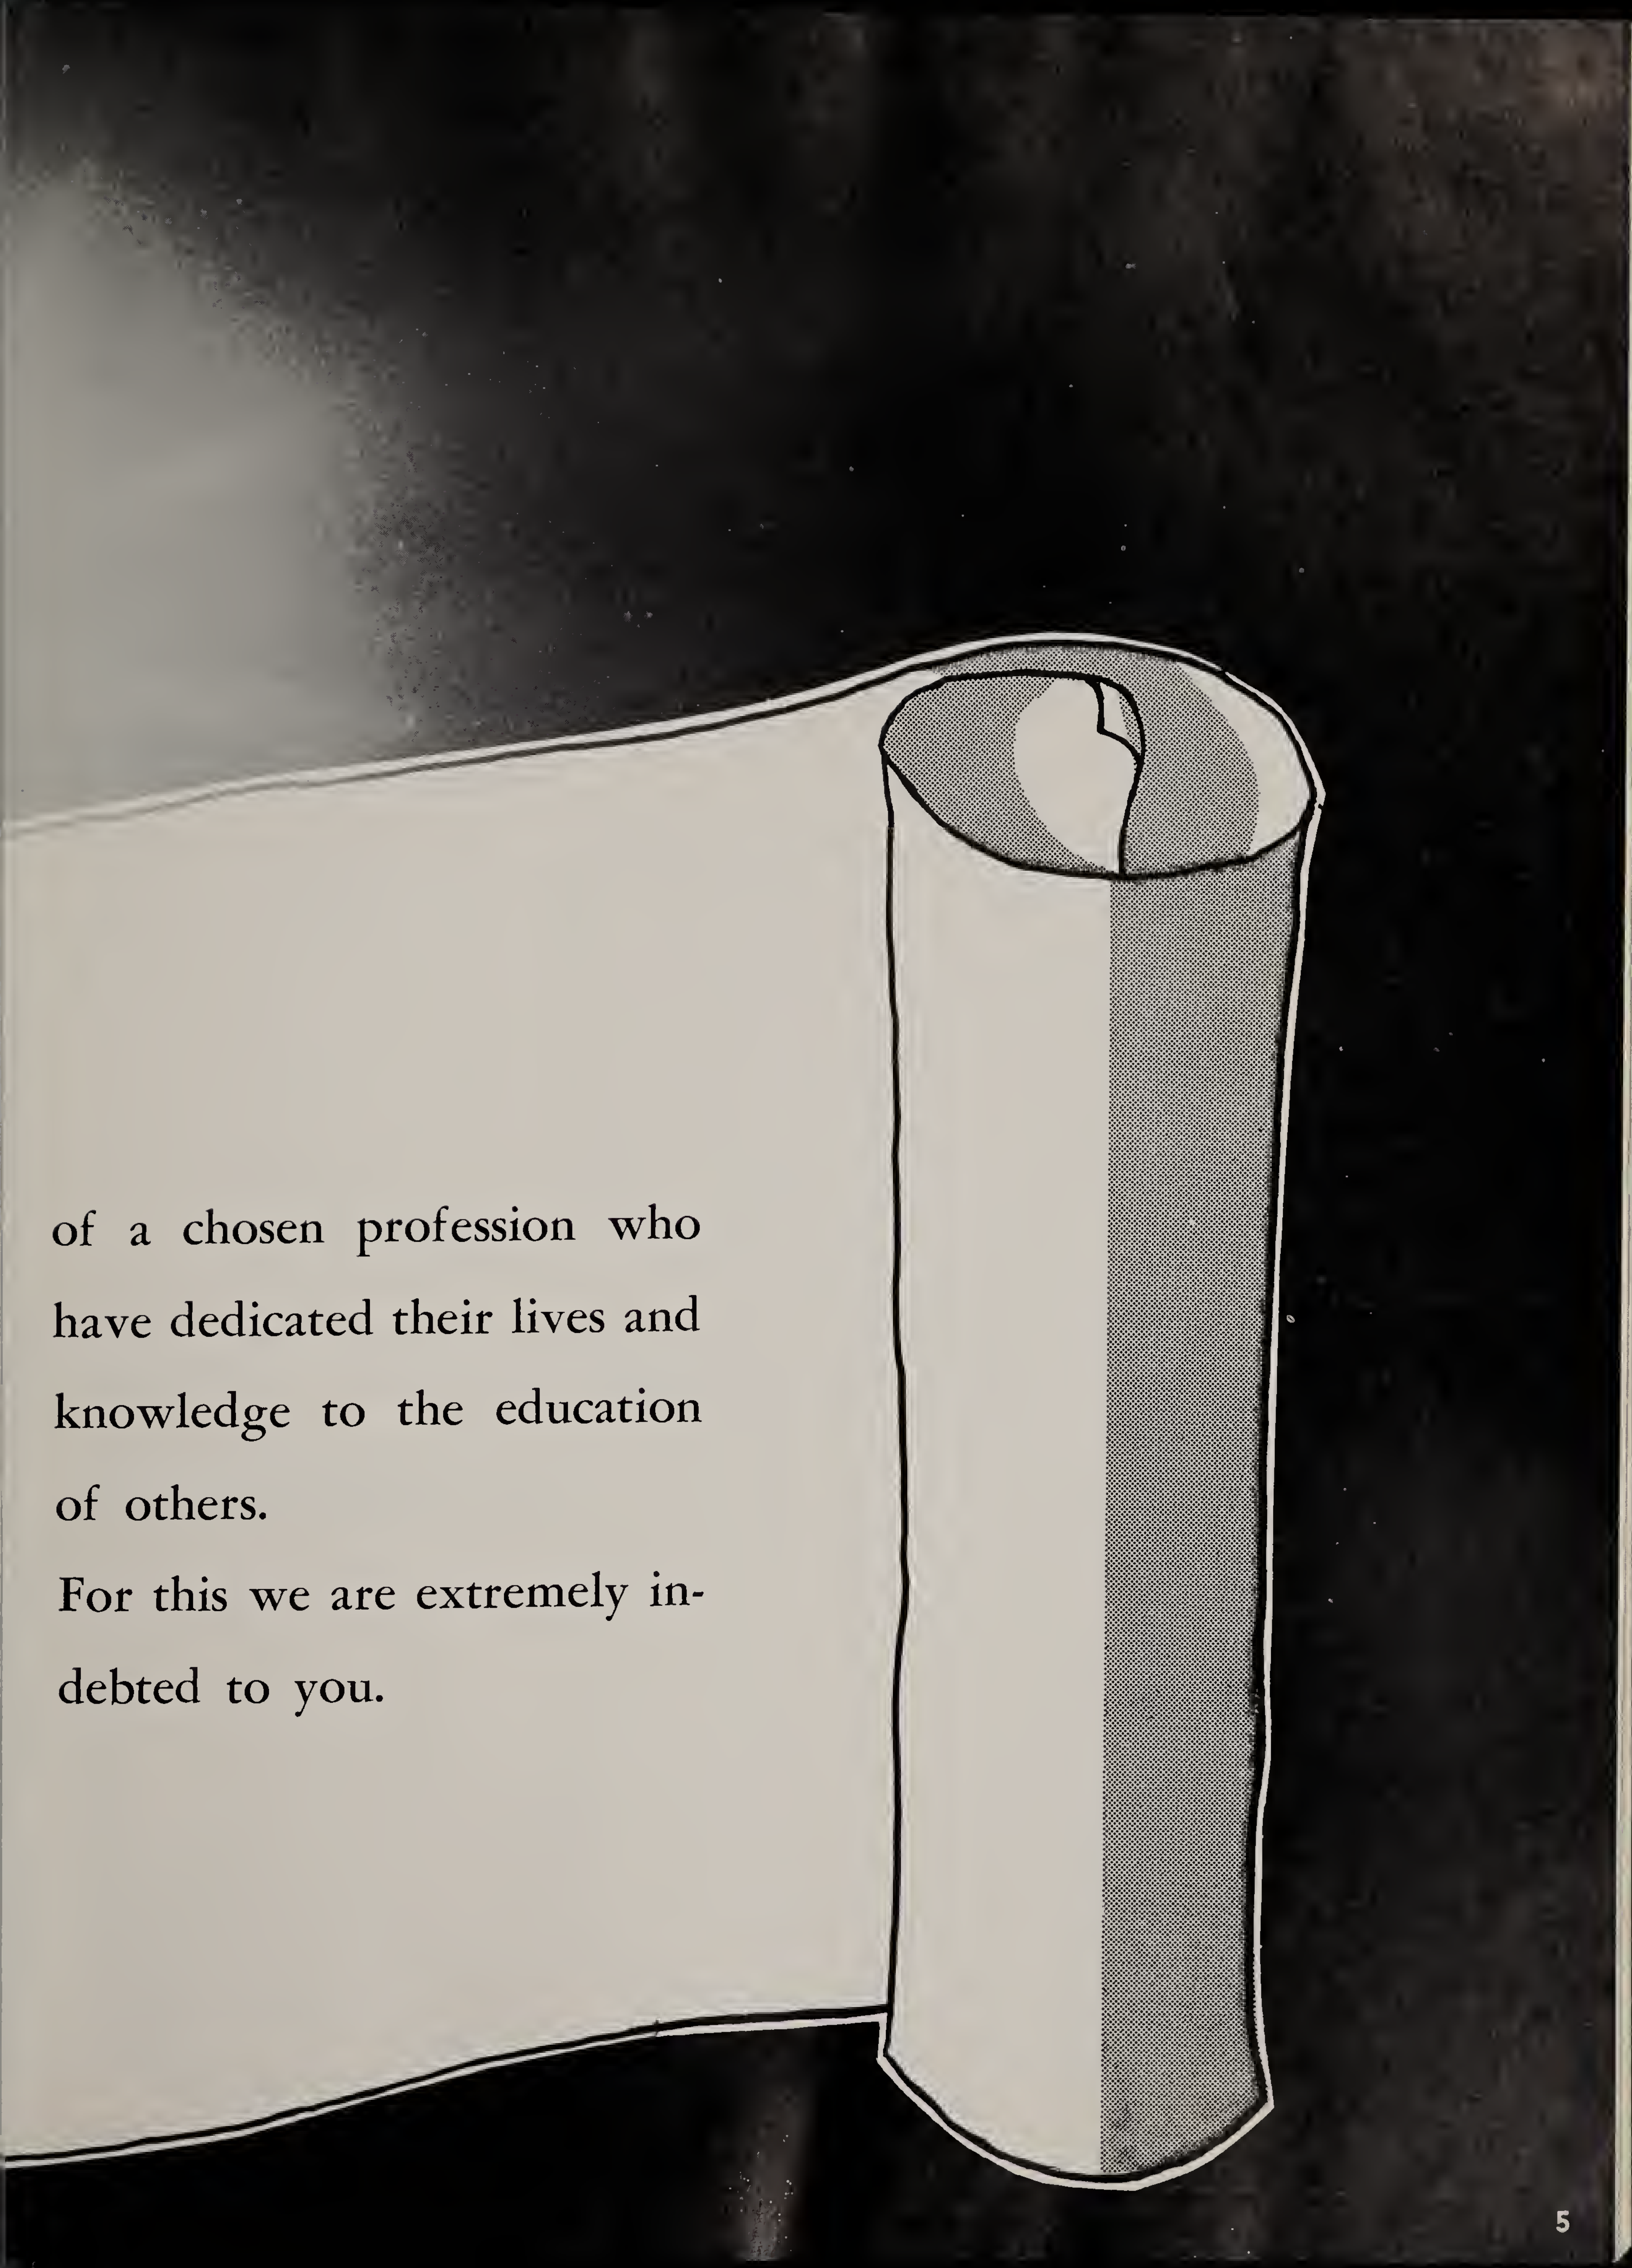
THE YEAR'S ACTIVITIES AT A GLANCE



We, the students of Tri-State College, do hereby dedicate this book to the members of the faculty. You, the faculty of Tri-State College, can be proud that you are members



of a chosen profession who have dedicated their lives and knowledge to the education of others.

For this we are extremely indebted to you.

OUR

CAMPUS

DR. RICHARD M. BATEMAN
President

The faculty, administration, staff and board of trustees offer to each of you our heartiest congratulations.

We are living in an era of rapid change, with flexibility and continued learning a prerequisite for success.

We here at the college know that in your continuing quest for knowledge you will find success and many new satisfactions in the world of work that you are entering.

Our best wishes go with you. Your honors will be ours, and the world made better by your having passed this way.

"Big" Ray Gets the Tap

TRI-STATE COLLEGE 77
HUNTINGTON COLLEGE 73

Coach Mark Peterman, who instilled a hurtling spirit and desire into this season's Tri-State team, took the Engineers to Huntington, Indiana, and brought home a 77-73 victory. Ray Lothery and Dave Anspaugh led T.S.C. to victory in their opening Mid-Central Conference game with 27 points each. Captain Bob Wloderak held Huntington's high scoring Dean Merryman to 12 points while scoring 11 points himself.

TRI-STATE COLLEGE 77
CONCORDIA COLLEGE 59

Steve Swift and Bob Wloderak led a spirited Tri-State attack which defeated Concordia College by a 77-59 score. This victory gave T.S.C. a Mid-Central Conference record of two wins and no defeats. Swift and Wloderak, with 17 and 16 points respectively, were aided by Dave Anspaugh's 15 points contribution. "Big" Ray Lothery treated the home crowd to a sparkling rebounding display.

TRI-STATE COLLEGE 77
INDIANA TECHNICAL COLLEGE 67

In a game that will long be remembered at Tri-State College, the Engineers defeated arch-rival Indiana Tech to take over first place in the Mid-Central Conference. A tremendous team effort led by Steve Swift with 25 points and Dave Anspaugh with 10 points, vanquished the Tech men. Ray Lothery, Mark Snyder, and Bob Wloderak were outstanding defensively and led the T.S.C. leapers, who out rebounded Indiana Tech by a 66-54 margin.

Mark "Climbs the Ladder"

Steve Rebounds for T.S.C.

TRI-STATE COLLEGE 91
GRACE COLLEGE 79

Coach Mark Peterman's hustling Engineers were hosts to the Grace College quintet and sent them home with a 91-79 defeat. The bellwethers of the Tri-State attack were Dave Anspaugh, Ray Lothery, Bob Wloderak, and Mark Snyder with 31, 22, 13, and 12 points respectively. Ray Lothery and Mark Snyder also paced the Engineers in the rebounding department.

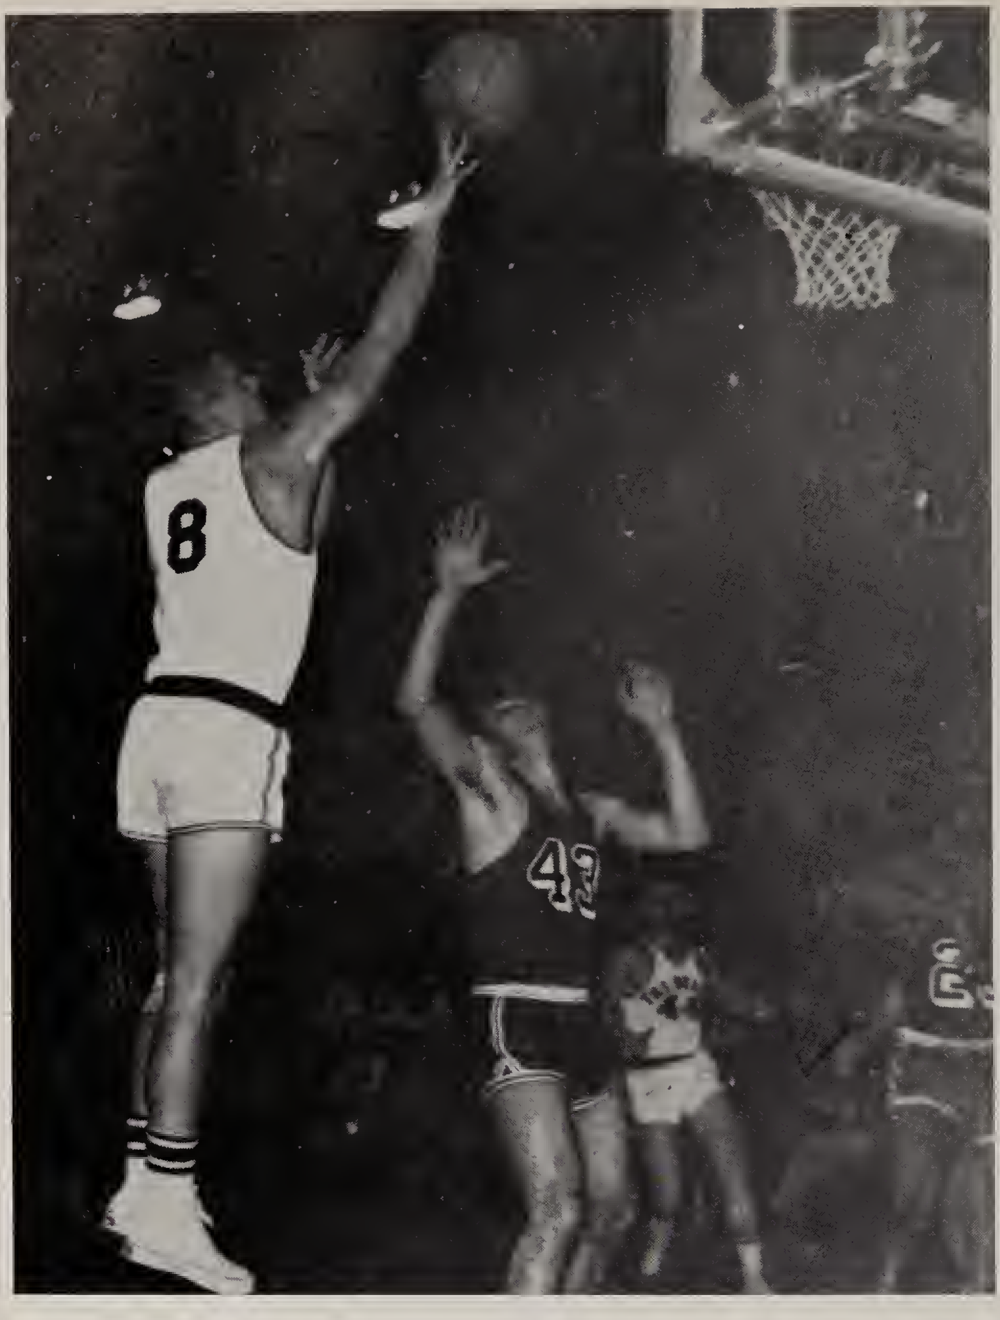
TRI-STATE COLLEGE 54
CONCORDIA COLLEGE 81

Concordia College handed Tri-State College its first Mid-Central Conference defeat at Fort Wayne. During the first half the Engineers experienced their "coldest" shooting of the season—scoring only twenty points. Ray Lothery and Steve Swift with nineteen and seventeen points respectively paced Tri-State.

TRI-STATE COLLEGE 62
HUNTINGTON COLLEGE 86

Huntington College traveled to Angola and handed the Engineers their second successive conference defeat by an 86-62 margin. This defeat dropped Tri-State out of first place in the conference. Once again it was Steve Swift and Ray Lothery pacing the Engineers as they evenly divided 34 points.

Don Tallies on a Drive



Steve Jumps for Two

TRI-STATE COLLEGE 73
INDIANA TECHNICAL COLLEGE 95

Tri-State, though five men scored in double figures, went down to a 95-73 defeat at Indiana Tech. Tri-State hurtled an early second half 47-46 lead. Then with captain Bob Wloderak sitting out the next twelve minutes due to foul trouble, the "Techmen" roared to an 85-61 lead. Bob Wloderak, Don Powers, Ray Lothery, George Berry, and Steve Swift led the Tri-State attack with 21, 18, 17, 12, and 10 points respectively.

TRI-STATE COLLEGE 93
GRACE COLLEGE 85

Traveling to Grace College, the Engineers of Tri-State College snapped a five-game losing streak by defeating Grace College by a 93-85 margin. Tri-State was paced by Don Powers' 29 points. Captain Bob Wloderak contributed 21 points to the victorious T.S.C. attack. Glenn Rammerer, who set an Indiana seasonal scoring record, paced Grace College with 41 points.

TRI-STATE COLLEGE 82
GIFFIN COLLEGE 74

In the home opener of the season, a hustling Tri-State team emerged an 82-74 victory. The Engineers, with an exceptional night at the free throw stripe, sank 27 out of 30 charity throws. Tri-State was led by freshmen Steve Swift, Dave Anspaugh, and George Berry with 21, 13, and 13 points respectively. Mike Stohler was the fourth Engineer in double figures.

Bob Scores Two on Jumper

Bob Scores for Two

TRI-STATE COLLEGE 66
TAYLOR UNIVERSITY 102

Tri-State College opened the basketball season at Upland, Indiana, opposing powerful Taylor University. The youthful and inexperienced Engineers were defeated by a 102-66 score. Tri-State was led by Don Powers with 19 points. Captain Bob Wlorderak and freshman Steve Swift split 20 points evenly.

TRI-STATE COLLEGE 64
INDIANA CENTRAL 86

Tri-State, on the road for the second time, fell victim to Indiana Central 86-64. Steve Swift, Dave Anspaugh, and George Berry led T.S.C. with 13 points each. Ray Lothery, Tri-State's 6'6" freshman center and improving with every game, was a pillar of rebounding for the Engineers.

TRI-STATE COLLEGE 87
BENTON HARBOR COLLEGE 69

Coach Mark Peterman's hustling Engineers found the home court to their liking and treated the home fans to a rousing brand of ball in conquering Benton Harbor 87-69. Ray Lothery led Tri-State with 22 points and a sparkling display of rebounding. Dave Anspaugh, George Berry, Steve Swift, and Bob Yloderak aided the well-balanced T.S.C. attack with 18, 17, 14 and 11 points respectively.

TRI-STATE COLLEGE 60
DEFIANCE COLLEGE 75

The Engineers experienced one of their poorest shooting nights of the season and lost to Defiance College at Defiance, Ohio, by a 75-60 score. As could be expected of a youthful and inexperienced ball club, the Engineers found trouble winning on the road this season. Mike Stohler led Tri-State with 10 points.

Don Hits From the Key

Ray at the "Line"

TRI-STATE COLLEGE 75
INDIANA TECHNICAL COLLEGE 97

Playing in Fort Wayne's Memorial Coliseum for the first time this season, Tri-State fell victim to a well-balanced Indiana Tech attack by the score of 97-75. George Berry hit for 23 points to pace the Engineers' attack. Steve Swift with 19 points and Dave Anspaugh and Mike Stohler with 11 apiece backed up the losing Tri-State effort.

TRI-STATE COLLEGE 67
DEFIANCE COLLEGE 86

A powerful quintet journeyed to Tri-State College and defeated the Engineers by a 86-67 score. This victory gave Defiance a sweep of the home and away series with T.S.C. Dave Anspaugh was high for Tri-State with 16 points while Bob Wloderak and Ray Lothery contributed 11 and 10 points respectively. This was the Engineers' first home loss of the season.

TRI-STATE COLLEGE 78
BENTON HARBOR COLLEGE 84

Tri-State College took to the road once again and was defeated 84-78 by Benton Harbor College. The winners converted 30 free throws while being outscored from the field goal department by 32-27. Tri-State had four players in double figures led by Dave Anspaugh with 19 points. Steve Swift, Ray Lothery, and Bob Wloderak contributed 17, 15, and 11 points respectively to the Tri-State cause.

TRI-STATE COLLEGE 65
HILLSDALE COLLEGE 82

Hillsdale College proved to be a sad stopping point for the Engineers as Hillsdale took a 82-65 decision. Tri-State was led by Steve Swift and Ray Lothery with 16 points each and Mark Snyder, who tallied 11 points.

CONCORDIA
45
44
53

George on the Drive

Bob Hits From the "Stripe"

TRI-STATE COLLEGE 57
OHIO NORTHERN UNIVERSITY 93

Ohio Northern University came thundering into Angola and roared to a 93-57 victory over Tri-State. Tri-State, with a disastrous third quarter in which they scored but six points, was led by Steve Swift and Ray Lothery. Coach Mark Peterman, by installing numerous substitutes, tried to balance the Engineers' attack. This appeared to give the offense more zip and left Tri-State with numerous lay-up opportunities. However, the ball just wouldn't drop through the Tri-State bucket.

TRI-STATE COLLEGE 69
LAWRENCE TECH 90

Tri-State journeyed to Cobo Hall in Detroit to play the preliminary game of the Detroit Piston-Los Angeles Laker game against Lawrence Tech of Detroit. Lawrence Tech defeated the Engineers by a 90-69 score. Dave Anspaugh, Don Powers and George Berry paced Tri-State in the losing cause with 13, 12, and 10 points respectively.

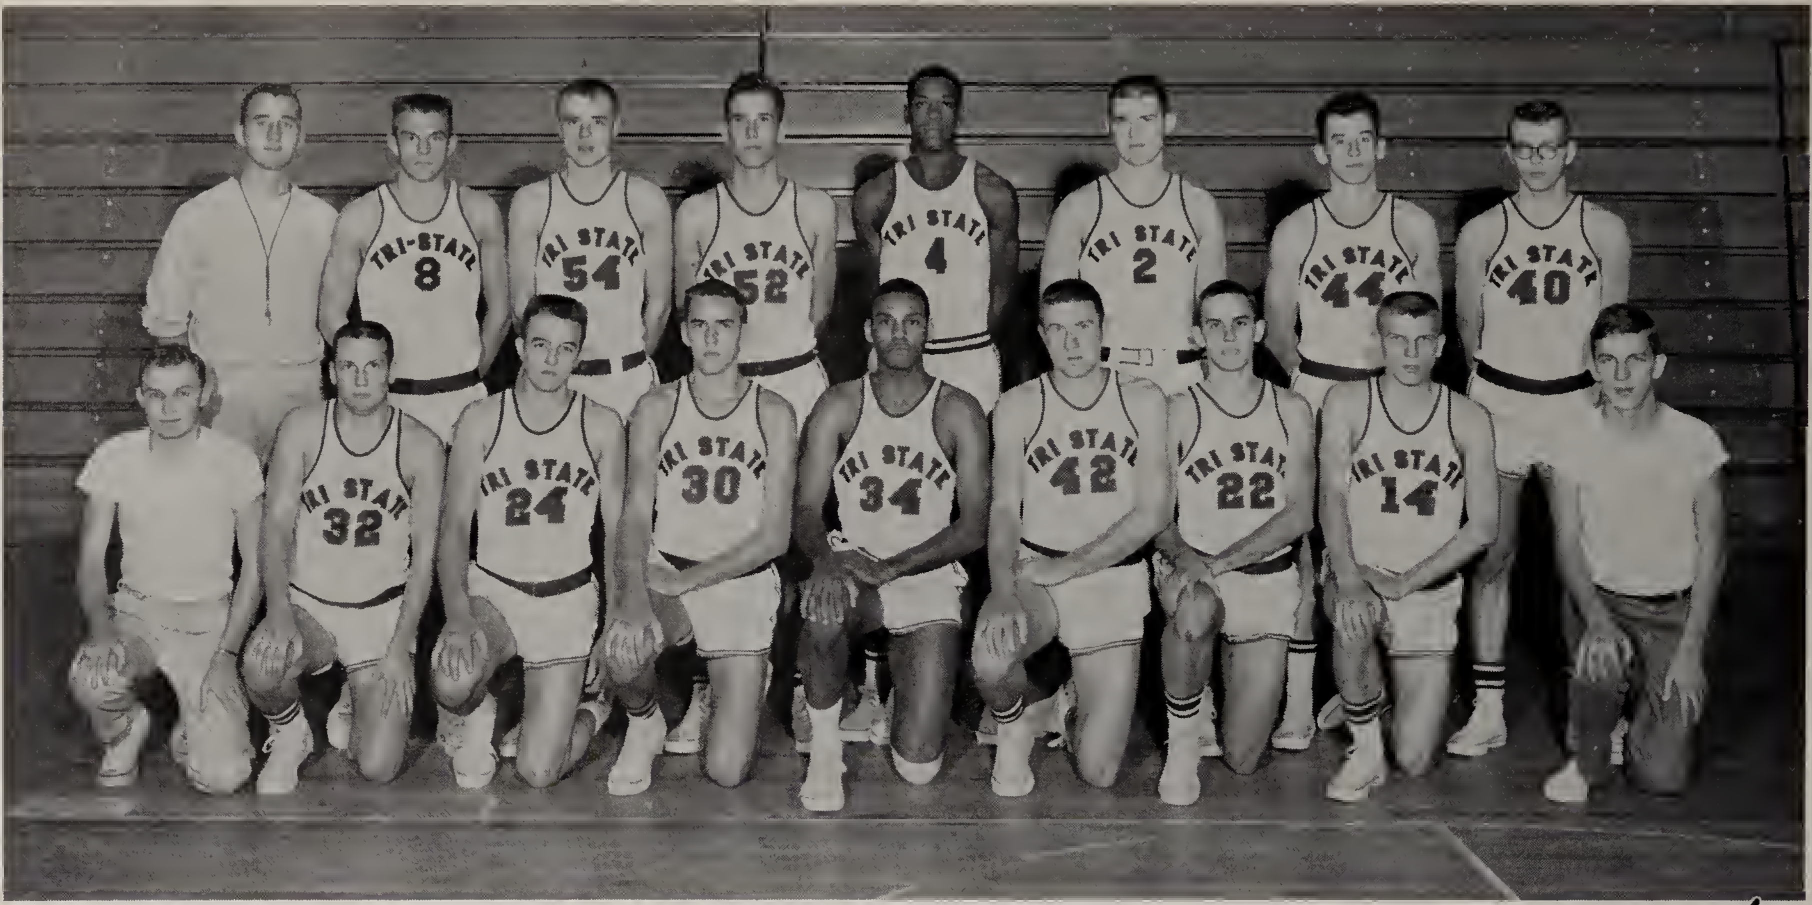
TRI-STATE COLLEGE 71
CONCORDIA COLLEGE 64

Tri-State, playing in the Fort Wayne Memorial Coliseum, took the deciding game of the three-game series with Concordia College by a 71-64 margin. The Engineers were paced by Dave Anspaugh and Mark Snyder with 14 and 10 points respectively.

TRI-STATE COLLEGE 102
HILLSDALE COLLEGE 99

In the final game of the season Coach Mark Peterman's Engineers put on a brilliant offensive display to defeat a strong Hillsdale College team by a 102-99 count. A superbly well-balanced attack, with five men in double figures, led by Steve Swift, Ray Lothery, Don Powers, Bob Wloderak, and Mark Snyder with 26, 19, 18, 18, and 15 points respectively treated the T.S.C. fans to an awesome offense display.

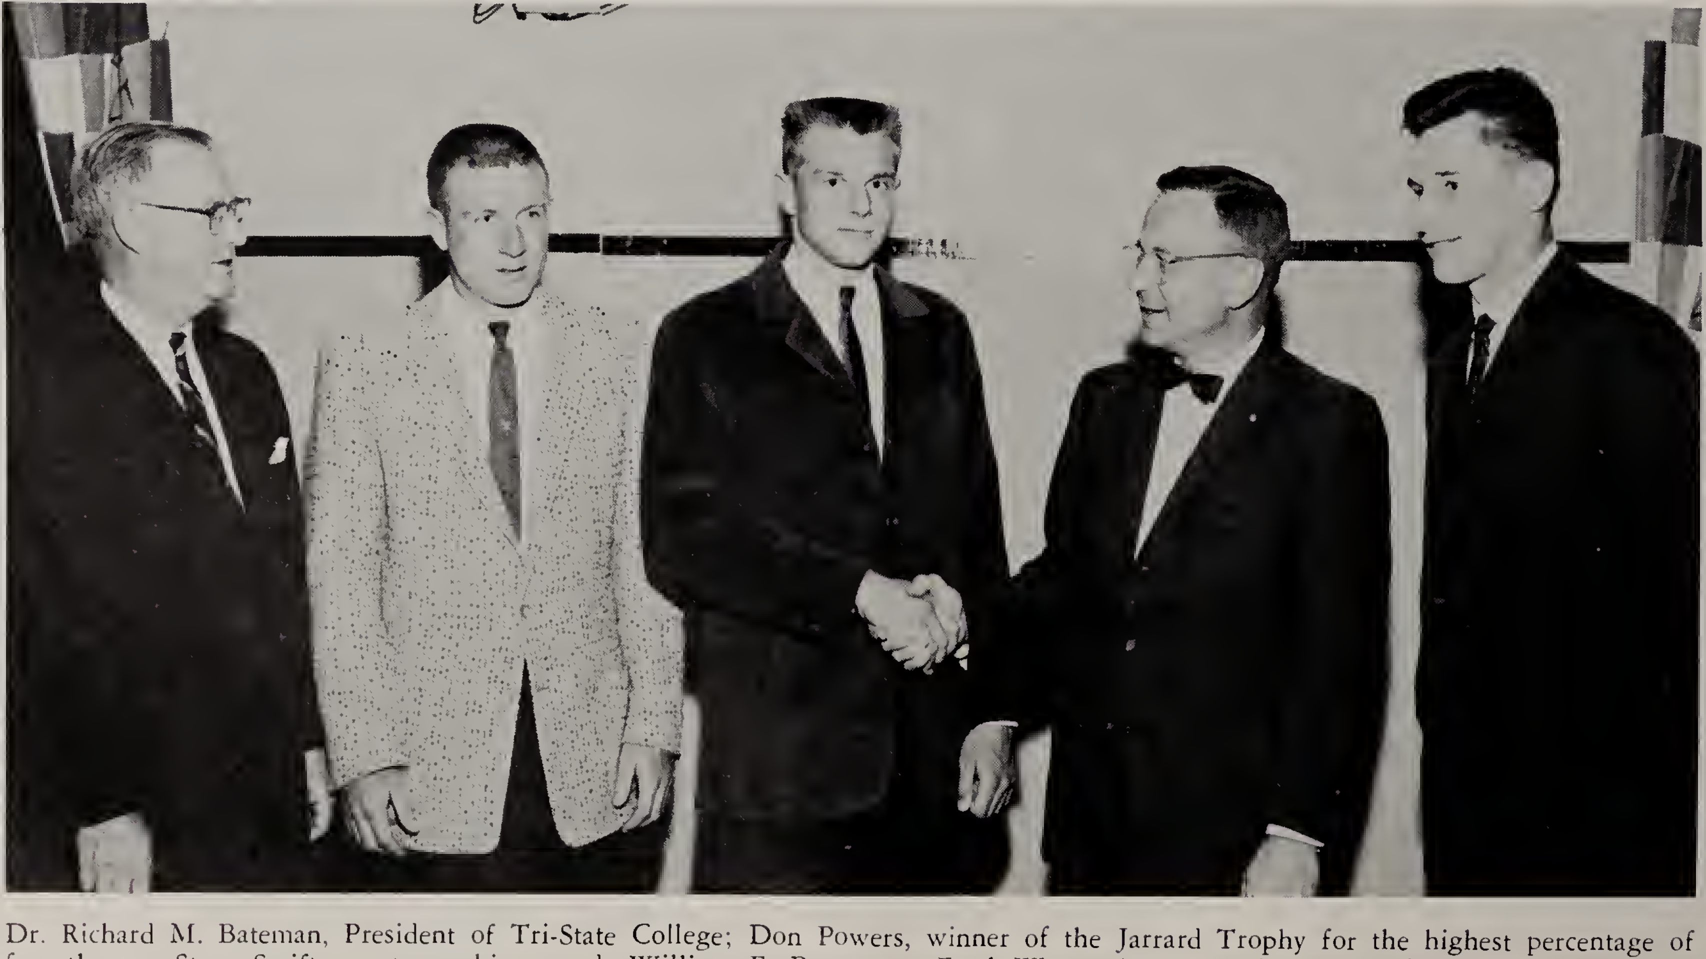
Steve "Follows" for Two



Left to right, FRONT ROW: Max Balkema, manager; Craig Hess, John Deon, Joe Hugill, Mike Dabner, Don Powers, George Berry, Dave Anspaugh, Tom Weiner, manager.
SECOND ROW: Mark Peterman, coach; Steve Swift, Mark Snyder, Rodney Mills, Ray Lothery, Joe Brannan, Robert Wlodarek, Mike Stoler.

Tri-State College ended the 1961-1962 basketball season with a "log" of nine wins and twelve defeats. This year's youthful basketball squad gave Tri-State fans many exciting thrills. The won-and-lost record of an inexperienced team is often deceiving. Many games are lost due to this inexperience factor. Tri-State fans can expect many thrilling and happy moments from future editions of Coach Mark Peterman's ball clubs. Coach Mark Peterman, in his first year at the Tri-State helm, instilled a hustling and "never-say-die" spirit which will live on in future Tri-State teams. Captain Bob Wloderak, Mark Snyder, and Joe Brannon are stalwarts of past Tri-State teams and their presence will be sorely missed in coming seasons. To Coach Mark Peterman and future Tri-State color bearers, this editor and his staff wish the best of luck in forth coming seasons. We know Tri-State students, alumni, and fans will be proud of your efforts.

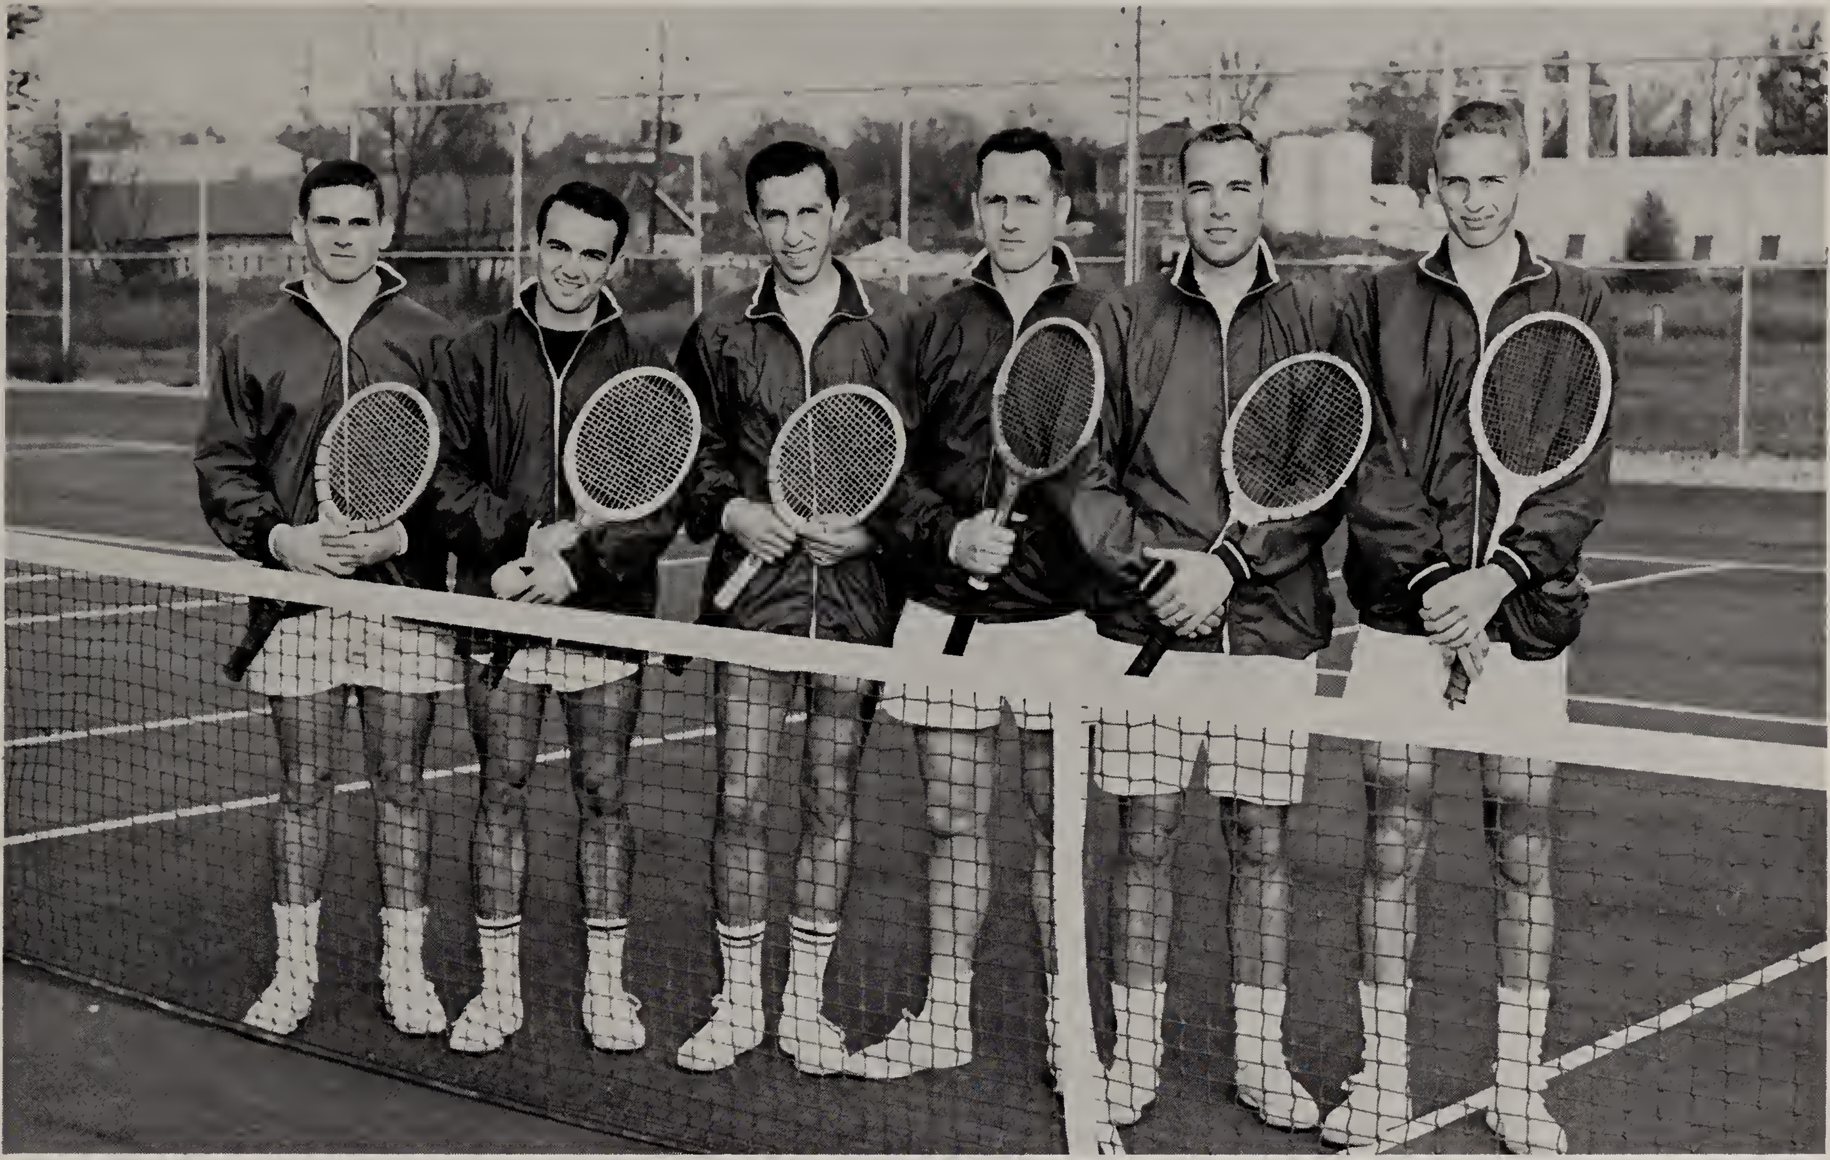
BASKETBALL TROPHY WINNERS



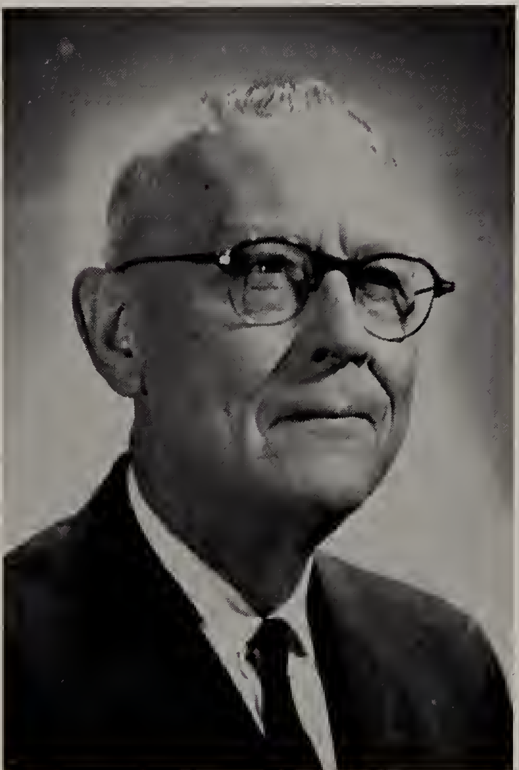
Dr. Richard M. Bateman, President of Tri-State College; Don Powers, winner of the Jarrard Trophy for the highest percentage of free throws; Steve Swift, sportsmanship award; William F. Borgmann, Forth Wayne Attorney, Big Ten Football official, speaker at the Recognition Dinner for Tri-State athletes; and Robert Wlodarek, winner of the Blair Trophy for the most valuable player, selected by vote of his teammates.

T.S.C. "Davis Cup" Challengers

A CHAMPIONSHIP YEAR



Nicholas Federici Eduardo Garcia Santiago Rodriguez John E. Priddle Richard Creamer James Greenich



Priddle and pride—a byword of T.S.C. tennis! Combine this with the athletic prowess of Dick Creamer, Nick Federici, Jim Greenich, Eduardo Garcia, and Santiago Rodriguez—now add the coaching skills of "Doc" Mummert and you have the ingredients of T.S.C. championship tennis team.

The 1961-1962 team followed in the tradition of past T.S.C. tennis teams—spirit, team pride, hustle, and a will to win. This team should rank as one of the greatest of all Tri-State net teams. Led by the incomparable John Priddle, an all Mid-Central Conference choice and Dick Creamer, who received honorable mention for the conference team, T.S.C. swept to the conference championship with a picturesque display of tennis ability.

To coach "Doc" Mummert and the 1961-1962 champions go the congratulations of the *Modulus* staff and the student body of T.S.C. You have marvelously followed the tradition of T.S.C. tennis teams.

TRI-STATE COLLEGE 5
HUNTINGTON COLLEGE 2

Tri-State won the first tennis match played as the official opening of the Mid-Central Conference tennis competition at T.S.C. The game was the first official competition to be played on Tri-State's new tennis courts.

TRI-STATE COLLEGE 2
CONCORDIA COLLEGE 5

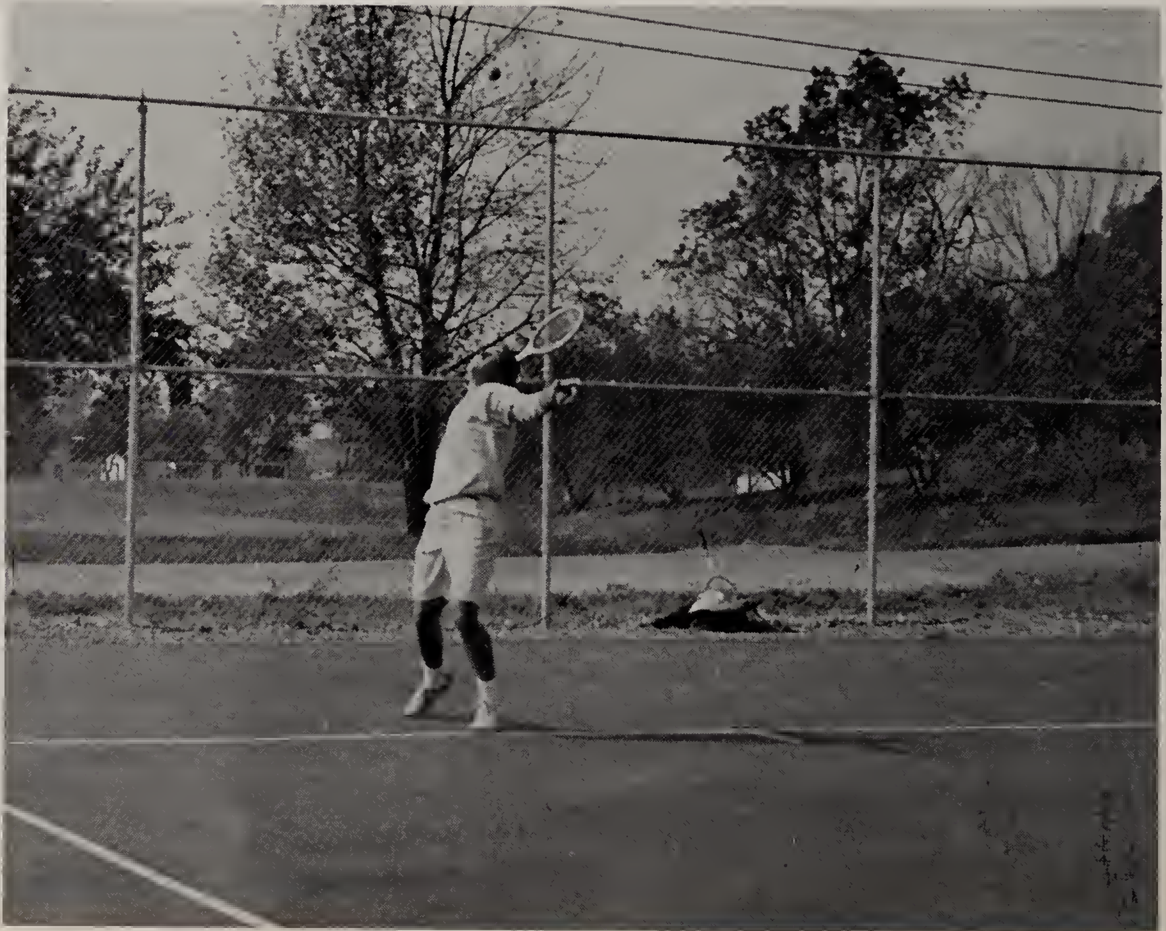
Concordia handed Tri-State their only loss of the season when T.S.C. ended up on the short end of a 5-2 match total. In the singles the only Tri-stater to come out on top was John Priddle with a 6-3, 6-2 straight set. The doubles found Priddle and Rodriguez just a step ahead of their Concordia counterparts.

TRI-STATE COLLEGE 6
GRACE COLLEGE 1

Tri-State visited Grace College one sunny Saturday morning and came home with an impressive 6-1 match score win. Again in the singles John Priddle walked away with a straight set win of 6-0 and 6-0. Other singles saw all Tri-State winners with straight sets; Greenich 6-1, 6-2; Creamer 6-1, 6-1; Garcia 6-0, 6-2; and Federici 6-3, 7-5. The winning double saw Creamer and Greenich with 6-2 and 6-1 totals.

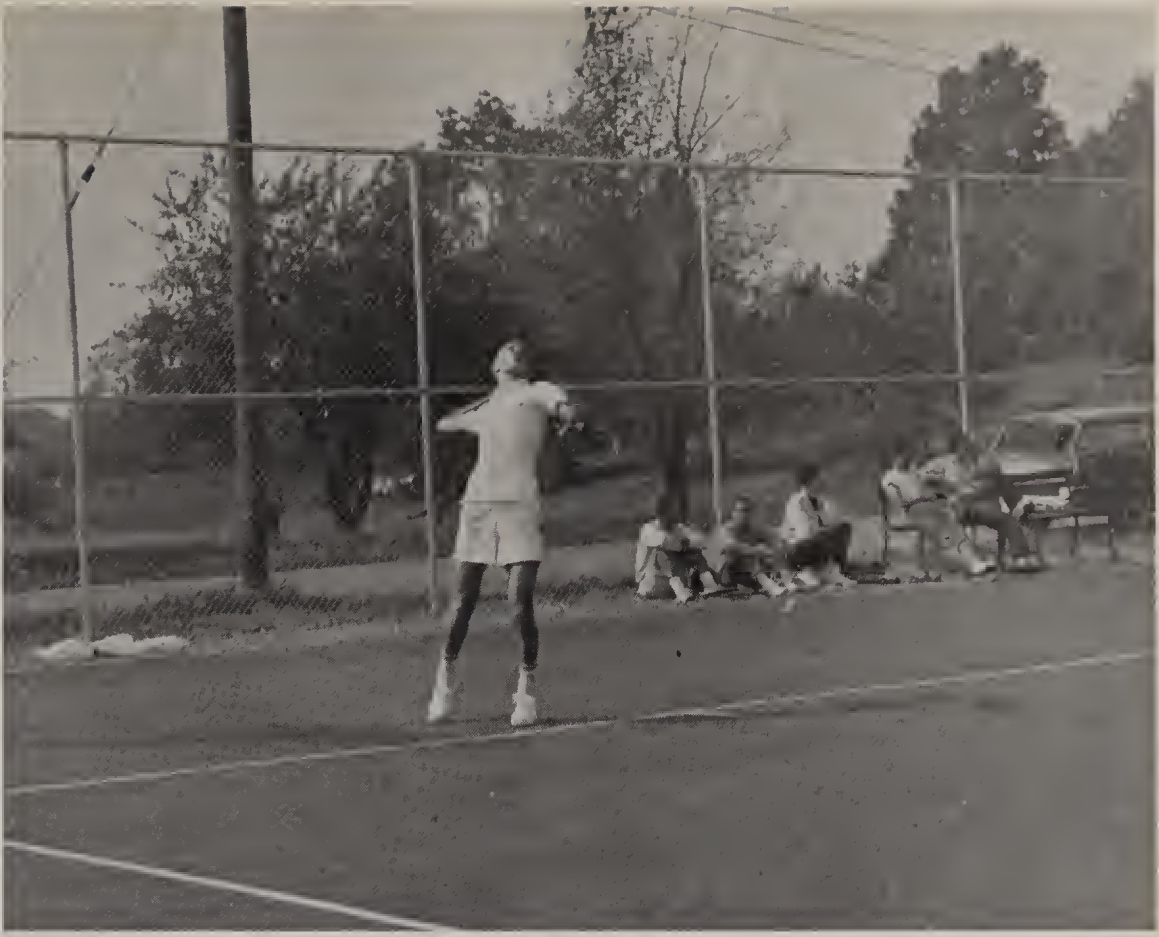
TRI-STATE COLLEGE 6
HUNTINGTON COLLEGE 1

The return trip from Huntington was made with much pleasure as Tri-State smashed home their second straight victory of the season with a 6-1 win over Huntington. The only loss of the day was an upset as John Priddle was defeated. It proved later that this was to be the only loss that Priddle would allow his competition. The winning sets saw Creamer, Greenich, Federici, and Garcia over their Huntington would-be conquerors. In the doubles it was Tri-State all the way when Creamer teamed with Greenich and Priddle with Garcia.



TRI-STATE COLLEGE 6
INDIANA TECHNICAL COLLEGE 1

Tri-State's first encounter with arch-rival Indiana Tech ended with Tri-State the victor by a match score of 6-1. Three straight set wins were chalked up by Tri-Staters Priddle, Creamer, and Garcia, while Greenich won in a come-from-behind victory. Tri-State again made a clean sweep of the doubles matches with straight set wins by winning combinations of Priddle-Garcia and Creamer-Greenich.



TRI-STATE COLLEGE 7
GRACE COLLEGE 0

Grace left Angola a dejected team after Tri-State walked to an easy straight set match win of 7-0. The straight setters of Tri-State were Priddle, Creamer, Rodriguez, Garcia, and Federici. In the doubles it was the combinations of Thompson-Frition and Williams-Wingard that completed a perfect day for T.S.C.

TRI-STATE COLLEGE 7
INDIANA TECHNICAL 0

Tri-State's second competition with Indiana Tech saw an improving team win its fifth straight and second straight shut-out. Priddle and Creamer continued at a fast pace in taking straight set wins, helped in winning by Greenich, Garcia, and Federici. In the doubles Creamer and Greenich again formed a winning combination as did Priddle and Garcia.

TRI-STATE COLLEGE 5
CONCORDIA COLLEGE 2

Tri-State's sixth straight win and seventh Mid-Central Conference win in tennis came in the form of a hard-fought, ball-slamming match in which Tri-State emerged the match victor and tied for the conference championship with a match score of 5-2 over Concordia. The most exciting singles match found cool-headed, fast thinking Priddle battling to a 8-6, 4-6, 6-2 set win over the conference's leading player. Tri-Staters Creamer and Greenich also came out on top in singles competition.

T.S.C. Golf Team (1961-1962)

James Hergenrother, Curt Hahn, Larry McKinley, Mike McGraw, Dick Jennings, Captain Ron Silver, and Mr. Raymond L. Porter. (Fran Marki, absent.)

The *Modulus* staff and the student body of Tri-State College take this opportunity to extend congratulations to the 1961-1962 T.S.C. golf team. To Mr. Raymond L. Porter, the golf coach, we extend our thanks and appreciation for the characteristics you instilled in this fine team. Team spirit, hustle, sportsmanship and a will to win are a necessity for any winning team. Tri-State College can be especially proud of this team because in winning they displayed all these characteristics. The trophies won by this team were: the Mid-Central Conference for first place in the conference, the Mid-Central Conference Tournament for first place in the tournament, and the fifth place trophy in the Little State Golf Meet. In addition to these trophies, Curt Hahn was awarded the Medalist Trophy in the Mid-Central Conference Tournament. Fran Marki was named to the all-conference team for the third successive year and will have an opportunity to make it four years in a row next year. Captain Ron Silver was also named to the all-conference team.

RAYMOND L. PORTER, Coach

"The Shot" and "Little Arnie"

"The Shot" Launches One at Canaveral—A Okay

TRI-STATE COLLEGE 13
CONCORDIA COLLEGE 2

Fran Marki and Dick Jennings, with an awesome display of golf might and skill, led Tri-State to a 13-2 victory over Concordia College. With an amazingly consistent game these two "men of the day," with powerful tee shots, fine fairway play, wedge shots and brilliant green shots, struck panic in the hearts of Concordia rooters. This marked TSC's first victory on the road this season and the scent of victory away from home is even more sweet than it is at home. Wire to Tri-State College student body—"championship is in sight."

TRI-STATE COLLEGE
INDIANA TECHNICAL COLLEGE
CONCORDIA COLLEGE
HUNTINGTON COLLEGE

With Curt Hahn recording a superb 75 and Captain Ron Silver a 79 Tri-State College swept to a resounding victory over our conference rivals. The entire team answered the challenge with marvelous performances. In winning the Mid-Central Conference tournament TSC added another trophy to our growing trophy case.

TRI-STATE COLLEGE 6½
INDIANA TECHNICAL COLLEGE 8½

Despite fine performances by Fran Marki and Larry McKinley the Tri-State golfers fell victim to Indiana Tech by an 8½ to 6½ score. This was another typical Marki display of sound golf. Fran, who has made the all conference team the past two golf seasons, was eyeing a third such honor.

TRI-STATE COLLEGE 12½
HUNTINGTON COLLEGE 2½

Once again it was Fran Marki and Larry McKinley pacing TSC to an overwhelming conquest of Huntington College. Fran and Larry were at their best and recorded eighteen hole totals of 78 and 79 respectively. The team played their best all around game in this match. As the season rolled on this team gained the momentum that was expected of them.

"Little Arnie" Prepares to Orbit One Rawlings

The Champs in Action

Dick Eyes an Eighty Footer by Way of a Camera Lens

TRI-STATE COLLEGE 2
TOLEDO UNIVERSITY 22

The golfing team of Tri-State College opened up the 1962 golf campaign at Toledo University. Despite fine performances by Fran Marki and Ron Silver, the Engineers suffered a 22 to 2 defeat. This opening match gave Tri-State followers little indication of this fine team's capabilities. Fran "The Shot" and Ron "Little Arnie" shot eighteen hole totals of 78 and 79 respectively.

TRI-STATE COLLEGE 4
HILLSDALE COLLEGE 11

Traveling to Hillsdale, Michigan, the TSC team suffered their second consecutive defeat by an 11 to 4 score. It was in this match that the team started to "jell." Curt Hahn, with a fine back nine, shot the type of golf that gave Tri-State a notable trio which was to strike fear in the hearts of many future opponents. Captain Ron Silver with a 78 paced Tri-State. Curt Hahn had an 80.

TRI-STATE COLLEGE 12½
CONCORDIA COLLEGE 2½

"HOME—VICTORY"
Dick Jennings, a first year man on the golf team, paced the Engineers to victory over Concordia College. Dick, with a steady and overpowering game, shot a brilliant eighteen hole total of 77. "Old Reliable" Ron Silver shot another fine eighteen holes for TSC and recorded a 77. This was the first Mid-Central Conference match for Tri-State, and it was here that the Engineers gained the momentum that won the conference title.

TRI-STATE COLLEGE 1½
UNIVERSITY OF NOTRE DAME 16½

Notre Dame proved to be an obstacle that our gallant Engineers couldn't hurdle. Fran "The Shot" Marki, with a brilliant 77, kept it from being an all Notre Dame sweep. Curt Hahn aided the Tri-State cause with an 81, but this just wasn't a Tri-State day.

Curt in the Pre-Launch Stage

End of a Championship Season

"All Right, Larry, Where's the Ball?"

TRI-STATE COLLEGE 7
HILLSDALE COLLEGE 8

This defeat was indeed heartbreaking. The Tri-State team played as fine a match as could be desired. But as sharp as TSC was that day, Hillsdale proved to be just a little sharper. Curt Hahn and Ron Silver gave Tri-State excellent performances with eighteen hole totals of 74 and 75 respectively. This match proved to be a fine "warm up" for the Little State Golf Meet.

LITTLE STATE GOLF MEET
TRI-STATE COLLEGE 5th PLACE

On May 19, 1962, the golf team of Tri-State College traveled to Indianapolis to participate in the Little State Golf Meet. Participating against twenty other colleges from the state of Indiana Tri-State finished fifth. This was indeed a very creditable showing. Fran Marki and Ron Silver, who have been bellwethers of past TSC in the Little State, came through with fine performances. Ron shot a 78 in the morning round and then came in from the afternoon round with a 75. "The Shot" shot identical morning and afternoon rounds of 78. The winner of the meet was Ball State Teachers College from Muncie, Indiana. They displayed a fine all around team that was very worthy of the championship. Our congratulations go to Ball State for being crowned the new Little State Golf Meet winner.

TRI-STATE COLLEGE 7½
INDIANA TECHNICAL COLLEGE 7½

In the final match of the season Tri-State and Indiana Tech played to a draw. The formidable duo, Fran Marki and Ron Silver, were the Tri-State pacesetters in the finale. For Ron Silver it was his last match as a member of the Tri-State College golf team. Fran shot a steady 75 while Ron finished out his golf career at Tri-State with a 76. "The Shot" and "Little Arnie," who were the backbone of this Tri-State team, were later named to the Mid-Central Conference all star team. We at Tri-State believe they were very deserving of the honor.

"The Shot" on the Green

INTRAMURALS

Kappa Sigma Kappa's Football Team

Kappa Sigma Kappa Team in Action

The interfraternity intramural football season was quite one-sided. The men of Kappa Sigma Kappa Fraternity had a very successful season on the gridiron, winning all seven of the games played. The group showed an overpowering offensive team that scored 126 points and a great defensive team that allowed only twelve points all season. Jim, Nick, and Fred Laino provided the bulk of the line and speed in the backfield, while Dick Southby and Fred Dawes called the signals that led to many passes to the waiting arms of Don Maizland, Les Ickes, and Dick Burger. Dick Salotti, Steve Materazzi, Lee Giesecke, and Bill Myers upset many quarterbacks allowing only twelve points to be scored against them.

Phi Kappa Theta's Basketball Trophy

Phi Kappa Theta's Team

The interfraternity intramural basketball season saw a nip and tuck battle all the way between Kappa Sigma Fraternity and Phi Kappa Theta Fraternity. Both of the fraternities played excellent ball all season long, coming into the last game with 6 wins and 0 defeats. The final victor in a typical defensive game was Phi Kappa Fraternity. The final score of this deciding game was 45 to 44, in which captain Jack Dion sank the winning basket with eight seconds left to play.

T.S.C. BASEBALL TEAM

Dave Smith, Lee Cook, Jim Brown, Don Powers, Bob Wlodarek, Gary Myers, Bob Sullivan, Fred Bennett, Nick Federici, B. J. "Doc" Mummert, coach.

Tri-State College	7	Grace College	6

The baseball team of Tri-State College ended the 1961-1962 baseball season with a record of two wins and six losses. Bad weather at the start of the training season plagued the pitchers and this eventually led to the teams' downfall. Bob Wlodarek and Larry Schwertfager were named to the Mid-Central Conference all star team. Lee Cook was given honorable mention.

In closing the sports section of the 1962 Modulus I would like to thank the following people who assisted in preparing this section: Mr. B. J. "Doc" Mummert, Mr. Mark Peterman, Mr. Raymond L. Porter, Mrs. Elizabeth B. Orlosky and particularly Mrs. Lucy Emerson who was a vast source of information.

ALPHA BETA ALPHA

Gary Armstrong

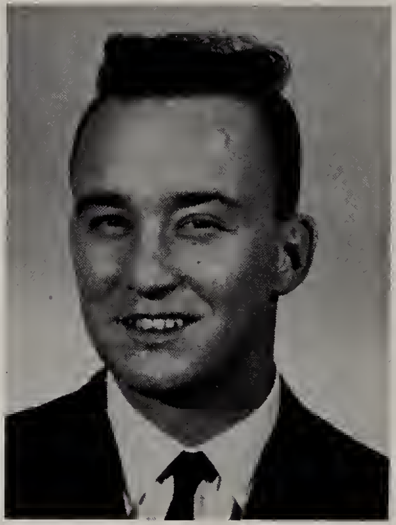
Bob Wlodarek

Alpha Beta Alpha, the honorary commercial society, was founded in 1938 by two of its present faculty advisors—Harold and Howard Hoolihan. The purpose of A.B.A. is to create an enthusiasm for scholarship, to promote worthy leadership, and to encourage the development of character in students of the School of Business Administration.

To become eligible for consideration, the student must either maintain an average grade of "A" for a period of four consecutive terms or an average of "B" for six consecutive terms with not more than four "C's" during that period. Students meeting the requirements of character, leadership, and scholarship are then initiated into the society.

The vocational achievements of A.B.A. alumni demonstrate the caliber of men and women recognized by this society.

Bill Park



Bob Stark

Mike Rex

Charles Snyder

TAU SIGMA ETA

Tau Sigma Eta, honorary engineering society, was incorporated under the laws of the State of Indiana on April 10, 1930. Membership in this society is one of the rewards received by students for outstanding achievements in the School of Engineering.

Requirements for admission into membership are four quarters of college work with a minimum of twenty hours' work during each of the four quarters; a scholastic average 3.1 out of a possible 4.00. A grade of D or lower disqualifies a student for membership. An average of 4.00 for three successive quarters automatically creates eligibility for membership. Members of the society must maintain an average of 3.0 to be considered active.

Tau Sigma Eta encourages brotherhood and good fellowship, a well-balanced social program, and the maintenance of high scholastic records. A banquet is held each quarter as a climax to the quarter's activities and aids in encouraging and fostering the ideals of the society.

SKULL AND BONES

In the spring term of 1948 the foundation was laid for Skull and Bones, COA, an honorary society. Membership in Skull and Bones is by election and based on the students' participation in campus organizations and activities. The purpose of this honorary organization, national in scope, is to recognize outstanding leadership of students in extracurricular activities, to encourage and promote student activities as a whole, to facilitate student brotherhood and spirit, and to promote to the highest degree, the traditions, honor and prestige of Tri-State College.

STUDENT DIRECTORS

The Tri-State Student Directors, an honorary organization, was formed to be of service to the college. Membership, representative of the students from all phases of campus activities, is by selection only, and is based on leadership, scholarship, dependability, co-operation and evident desire to promote the welfare of the college. Among the activities for which the Student Directors serve are registration, orientation, baccalaureate, commencement, alumni reunions, and the Christmas party for Tri-State children.

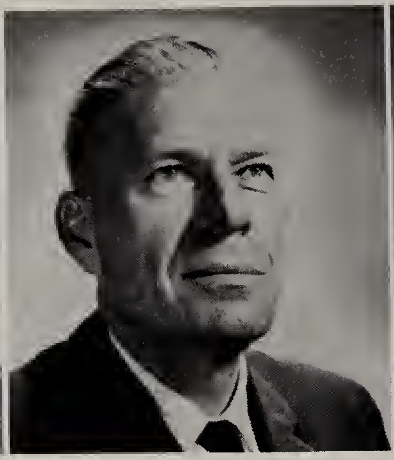
ALPHA CHAPTER

FRATERNITIES



ALPHA GAMMA UPSILON

Lambda Chapter, Alpha Gamma Upsilon, had its beginning as Phi Sigma Chi in the Fall of 1927. Greater benefits and more prestige initiated the desire on part of the members to merge with a national collegiate fraternity. This desire became a reality when in May, 1949, Phi Sigma Chi received its charter and became known as Lambda Chapter of Alpha Gamma Upsilon. Since then Alpha Gamma has spread throughout Michigan, Indiana, Ohio, and Pennsylvania, firmly establishing itself as an ever growing collegiate fraternity.

The present members of Lambda Chapter are meeting the challenge of many brothers who have passed through its doors—to maintain a high standing scholastically and socially.

The Chapter House

ALPHA SIGMA PHI

Alpha Sigma Phi was formed on December 6, 1845, at Yale University. It is a charter member of the National Interfraternity Council, and it is the tenth oldest national social fraternity.

The Beta Omicron Chapter dates back to 1925 when it was known as Phi Lambda Tau. In 1929 this fraternity and Alpha Delta Alpha merged, but in 1935 it disbanded. The house then became the Alpha Beta Chapter of Alpha Kappa Phi. On September 6, 1946, the AKP's merged with Alpha Sigma Phi, and this house became the Beta Omicron Chapter of Alpha Sigma Phi.

The character of the brotherhood is that of charity, culture, loyalty, patriotism, and perpetual friendship, and this is what is kindled within the walls of Alpha Sigma Phi.

BETA PHI THETA

DELTA CHAPTER

BETA SWEETHEART — Bonnie Ryder

Beta Phi Theta was founded at the Milwaukee State Normal School in November 1917. It was the first social fraternity at the normal school. During the first year it flourished as a local organization. In 1923 plans were made for expansion, and when the first national convention was held in June, 1924, three chapters responded to the roll call. Since that time other strong local fraternities have become affiliated with Beta Phi Theta.

The history of the Delta Chapter of Beta Phi Theta dates back to 1922. At that time a group of young men organized "The Four Eleven Gang," their purpose being the promotion of good fellowship. The organization became so successful that they decided to expand in order to afford other students the opportunity of enjoying this relationship. It was at this time that Lambda Phi Epsilon was born. The membership of this fraternity grew, and recognizing one of the great needs of the students, opened the first fraternity house at Tri-State College in 1925. In 1929 when the college recognized fraternities, the members of Lambda Phi Epsilon realized the advantages of national membership and became Delta Chapter of the Beta Phi Theta Fraternity.

Delta Chapter, now in its thirty-third year at Tri-State, has never lost sight of the ideals of its founders. Those chosen for brotherhood are men who have shown courage, initiative, and fortitude before our eyes. This policy of selection has insured lasting life and leadership for our fraternity.

MOTTO

In 1939 a group of students organized the Kadinak Society at Tri-State College. This was later formed into the Beta Chapter of Beta Mu Pi.

The Theta Mu Pi Fraternity became affiliated with the National Fraternity of Beta Sigma Tau in October of 1950. Then in September of 1961, it became the Tri-State Chapter of Beta Sigma Chi.

Since its inception the chapter has lived up to the Motto of "Equality, Understanding, and Unity."

KAPPA SIGMA KAPPA

The Indiana Gamma Chapter of Kappa Sigma Kappa was organized on campus in March, 1952. Prior to this date, the Kappa Sigma Kappa house had been associated with various fraternities. "The House on the Hill" served the original chapter of the present Sigma Mu Sigma fraternity until 1936, when the remaining actives merged with a large national fraternity. After a brief period with a local fraternity, the house became the home of Tau Kappa Epsilon in 1947.

In 1952, Tau Kappa Epsilon withdrew from the campus, and in March of the same year, Kappa Sigma Kappa took over "The House on the Hill."

PHI KAPPA THETA

Phi Kappa Theta, National Fraternity of Catholic men, was formed by the consolidation of Phi Kappa and Theta Kappa Phi in April 1959.

Phi Kappa was founded at Tri-State College in 1943. The National Fraternity dates back to 1889, when it was begun at Brown University. Theta Kappa Phi was founded in 1919 at Lehigh University.

Phi Kappa Theta is proud of its accomplishments and the members are confident their ideals of fraternalism and religion will carry them to ultimate success in their undertakings.

Planning for the future, Phi Kappa Theta has purchased 13 acres of land located southwest of the College on which it plans to construct a new fraternity house and recreational facilities for its members.

SIGMA MU SIGMA

The Alpha Chapter of Sigma Mu Sigma was founded at Tri-State College on Good Friday, in March, 1921. The fraternity, which was founded by three Master Masons, was elected to the National Organization at Washington, D.C., in June, 1924.

The primary purposes of Sigma Mu Sigma fraternity are to instill in its members the three principles of sincerity, morality, and scholarship; to create a well-balanced college life; and to create men who will be capable of taking their places in the business and engineering world.

The Alpha Chapter was honored by being selected as the site of the National Convention in August, 1959.

SWEETHEART OF SIGMA PHI DELTA

SIGMA PHI DELTA

Sigma Phi Delta is an International Social Professional Fraternity of Engineers. It has as its object the promotion of the advancement of the engineering profession, the fostering of the advancement of engineering education, the instilling of a greater spirit of cooperation among engineering students and organizations; the inculcation in its members of the highest ideals of Christian manhood; good citizenship, obedience to law, and brotherhood; and the encouragement of scholarship.

Its motto, "Pro Bono Professionis," which translated from the Latin means, "For the Good of the Profession," furthers this object. Sigma Phi Delta is an Engineering Fraternity and only engineering students are eligible for membership. It has active chapters located at accredited universities and colleges in North America and alumni chapters in several cities in North America.

CIVIL ENGINEERING SOCIETY

The purpose of the Civil Engineering Society is two-fold: to provide a sounding-board for ideas developed by the students; and to provide, through speakers, movies, and field trips, a supplement of class room studies of varied subjects to acquaint each student more fully with the wide field of engineering.

Serving under capable leaders, the society has continued to perform these functions with the necessary guidance of Mr. Miller, Mr. Roy, Mr. Griffis, Mr. Granger, and Mr. Guilford.

MOTOR TRANSPORT SOCIETY

The Motor Transport Society was organized on the campus on January 21, 1957. Its membership is composed of students enrolled in the Motor Transport Administration program. The objectives of the society are to promote among the members a broader understanding of the motor carrier industry and its problems. To accomplish this purpose, nationally known speakers are brought before the society and field trips are arranged to manufacturing industries and to motor carriers in the Midwest with outstanding terminal and operating installations. The members are thus able to see the practical applications of their studies and are further encouraged to test their classroom theories with scale model designs of future and revolutionary operating techniques.

At the end of each quarter a banquet is held to highlight the events of the past year and to install new officers. Awards are presented at this time and the families of the students and faculty are brought together for an evening of entertainment.

NATIONAL DEFENSE TRANSPORTATION ASSOCIATION

The Tri-State College Chapter of the N.D.T.A. was organized and received its charter in March of 1961. Milton Hersey acted as the organizational chairman and brought the chapter to fruition. Walter Site was elected the first president. At the present time President Knickerbocker and Past President Stroup are guiding the chapter on a research project of the transportation facilities located in the Angola Area.

The Objectives of the N.D.T.A. are:

To sponsor the progressive development of scientific and practical improvements in all forms of transportation.

To promote cooperation between the various modes of transportation: rail, water, highway, and air.

To facilitate the integration of civilian transportation with national defense requirements.

To maintain an awareness among its members and the public of the paramount importance of transportation in national defense.

INSTITUTE OF AEROSPACE SCIENCES

The Institute of Aerospace Sciences is a society established for the purpose of conveying recent advancements in the field of aeronautics to its members as well as contributing solutions to the design and construction problems that face the related industries.

In the spring quarter of 1940, Tri-State College obtained a charter to organize a student branch of the I.A.S. on its campus. Since Aeronautical Engineering was a relatively new field, Tri-State's branch was limited to a membership of about 35. At the present, the enrollment of society numbers about 25.

The meetings of the student branch of the I.A.S. are held every other Thursday. Following these meetings there are usually movies related to air-borne craft. Speakers are occasionally present at these meetings to inform the membership of recent technical advances. Further activities of the society include a quarterly banquet and a field trip once a year in the spring quarter.

SECOND ROW: Richard Heisey, William Frailey, Michael Nall, Paul Moll, Tim Maloney, James Jensen.

AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

The student branch of the American Institute of Electrical Engineers was chartered at Tri-State College during the summer of 1961. It was formed from the Electrical Engineering Society. The fundamental purpose of the society is to aid and benefit the students of the Electrical Engineering Department by presenting speakers, motion pictures, and demonstrations.

Left to right, FRONT ROW: Harrel Lerch, William Scott, John Hanigan, Ronald Sargent, Richard Larsen, Richard Heisey, James Jensen, Michael Miller.
SECOND ROW: Alvin Smith, Walter Blair, William Frailey, Eric Cumby, Michael Nall, Paul Moll, John Higbee, Carl Knepper, Tim Maloney, John Tracey.

Left to right, FRONT ROW: John Paskevicz, Thomas Philipp, Ira Zadylak, Charles Pinter, Dr. Slagle, Ronald Pinter, Darrell Eaton. SECOND ROW: Kenneth Kodger, Clyde Balzer, John Friedman, Philip Bauser, Thomas Bowen, Edward Schulz, David Shreiner.

STUDENT AFFILIATE CHAPTER AMERICAN CHEMICAL SOCIETY

The Chemical Engineering Society of Tri-State College was organized in April 1948. The purpose of the chapter is to afford an opportunity for the students of Chemical Engineering in Tri-State College to become better acquainted, to secure the intellectual stimulation that arises from professional association, to secure experience in preparing and presenting technical material before chemical audiences, to foster a professional spirit among the members, and so instill a professional pride in chemistry and chemical engineering.

The American Chemical Society is the world's largest organization devoted to a single science. It has twenty-two divisions organized on the basis of subject interest, such as analytical, organic, or petroleum chemistry.

Membership as a student affiliate can lead to a Junior membership and then to full membership in the American Chemical Society.

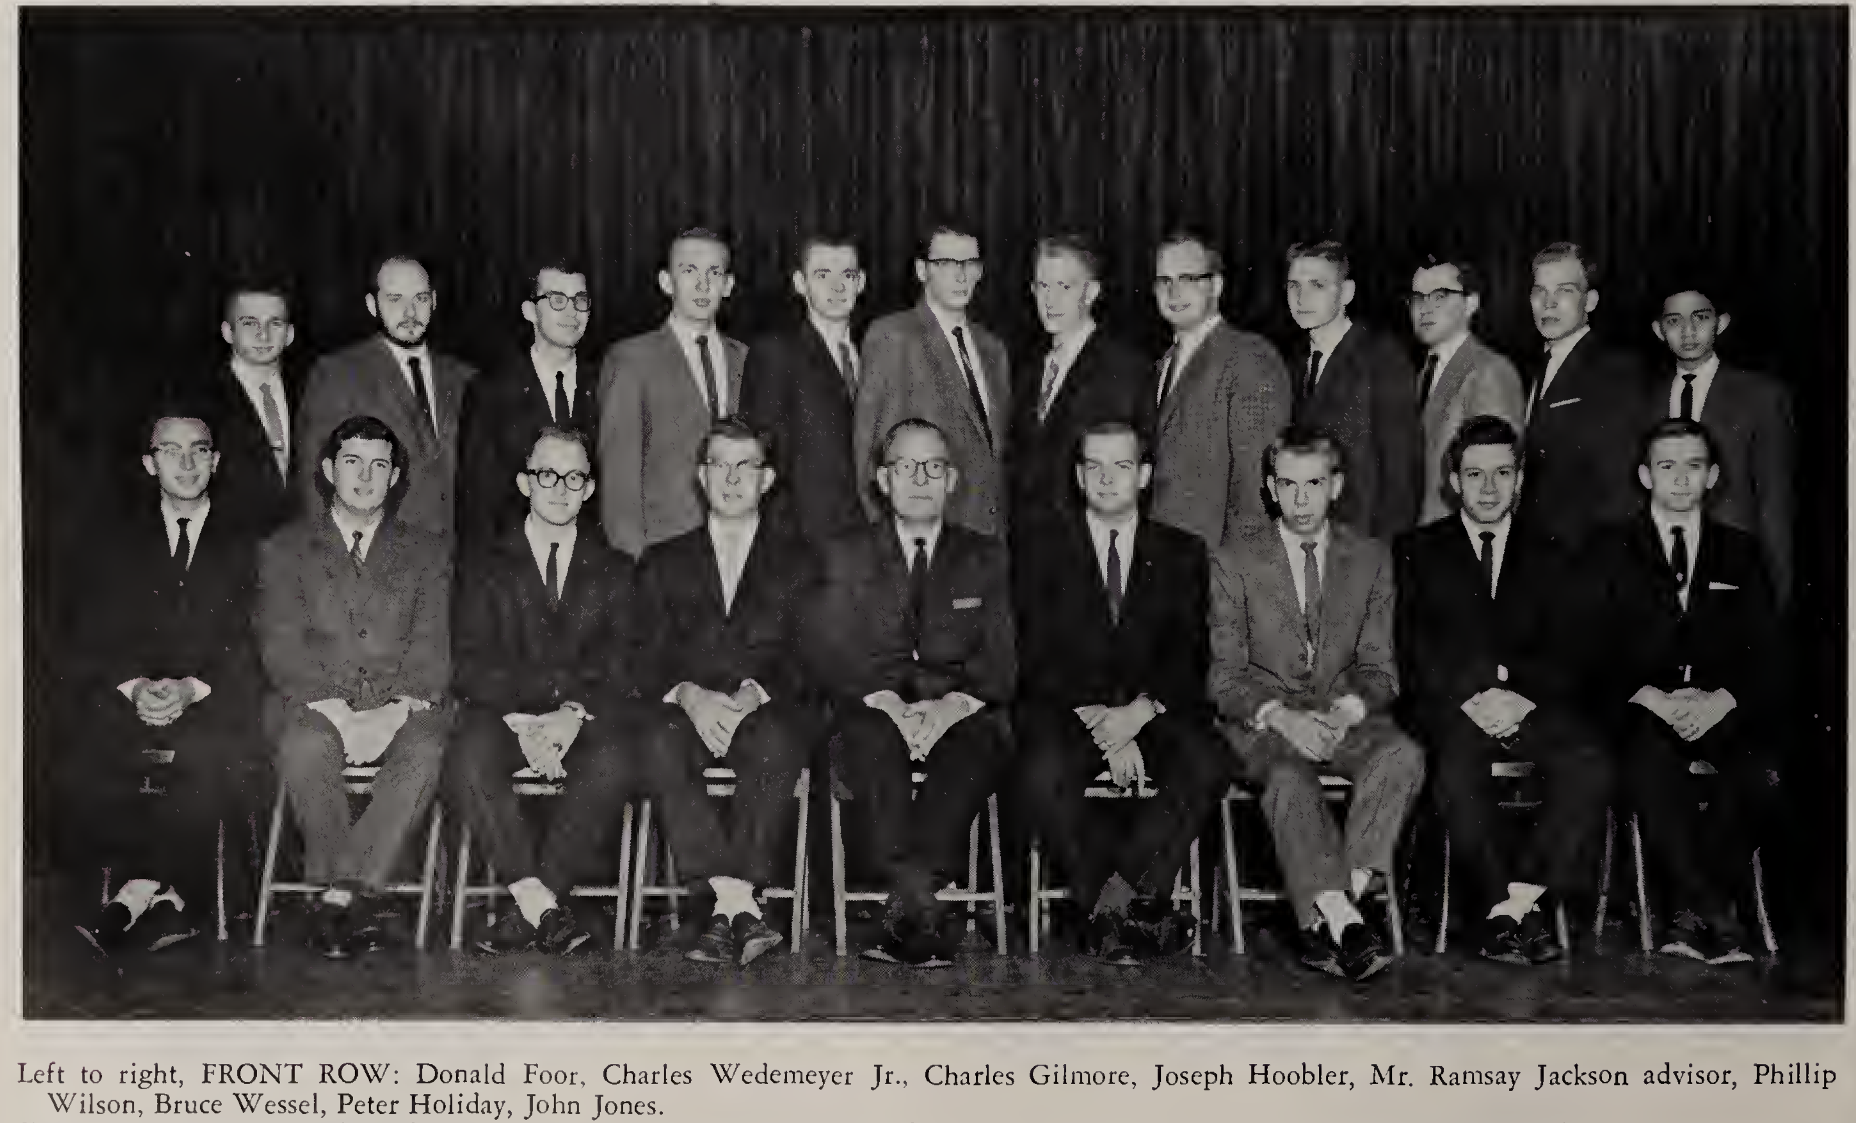
SOCIETY OF AUTOMOTIVE ENGINEERS

On February 3, 1949, the initial meeting of the student chapter of the Society of Automotive Engineers was conducted at Tri-State College. Since then, through the close cooperation of its elected officers and faculty advisors, it has grown to be one of the most progressive societies on the campus.

The purpose of this group is to uphold the creed of the S.A.E., "to promote the arts and sciences of engineering practices connected with the design, construction, and utilization of the automotive apparatus."

This year saw a number of outstanding speakers and films. Some of the members were guests of the Fort Wayne section of our national organization at a dinner meeting. There was also the usual active participation in the field trips and the annual banquet.



Left to right, FRONT ROW: Donald Foor, Charles Wedemeyer Jr., Charles Gilmore, Joseph Hoobler, Mr. Ramsay Jackson advisor, Phillip Wilson, Bruce Wessel, Peter Holiday, John Jones.
SECOND ROW: Donald Stickel, Fred Lennon, John Wehrly, Herbert Pikoske, Edward Londres, Donald Miller, Robert Rice, Jake Scott, Michael Carroll, Richard Stevevs, Lester Ickes, D. C. Mehta.

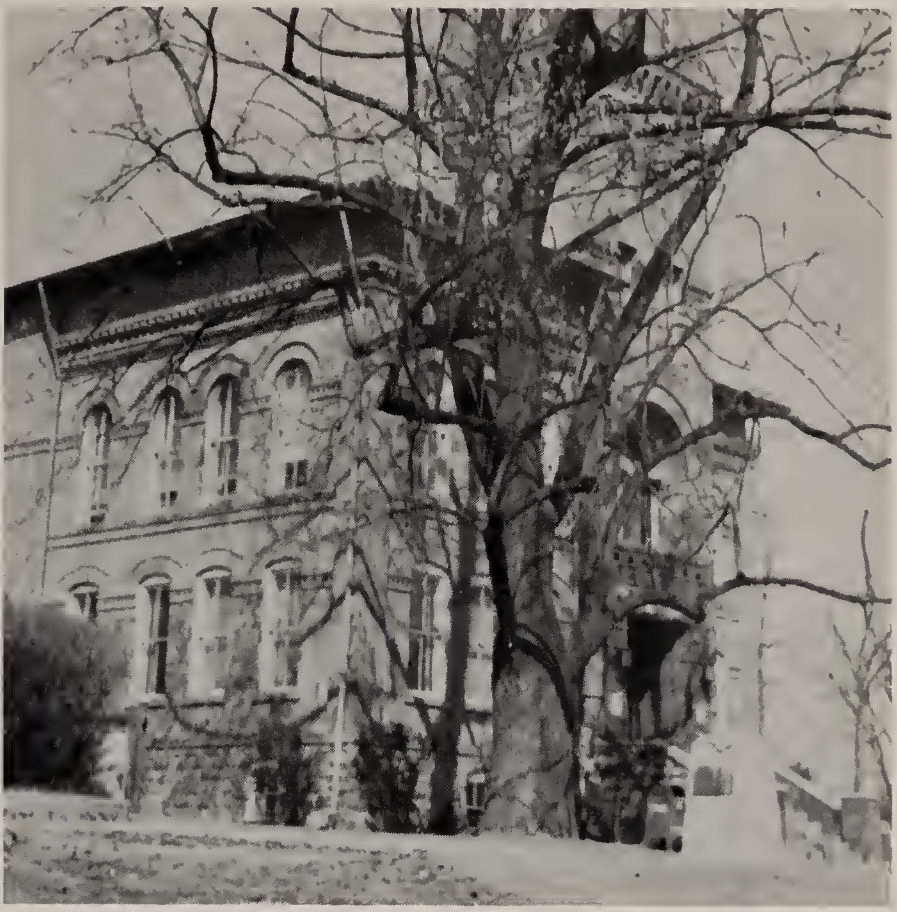
MECHANICAL ENGINEERING SOCIETY

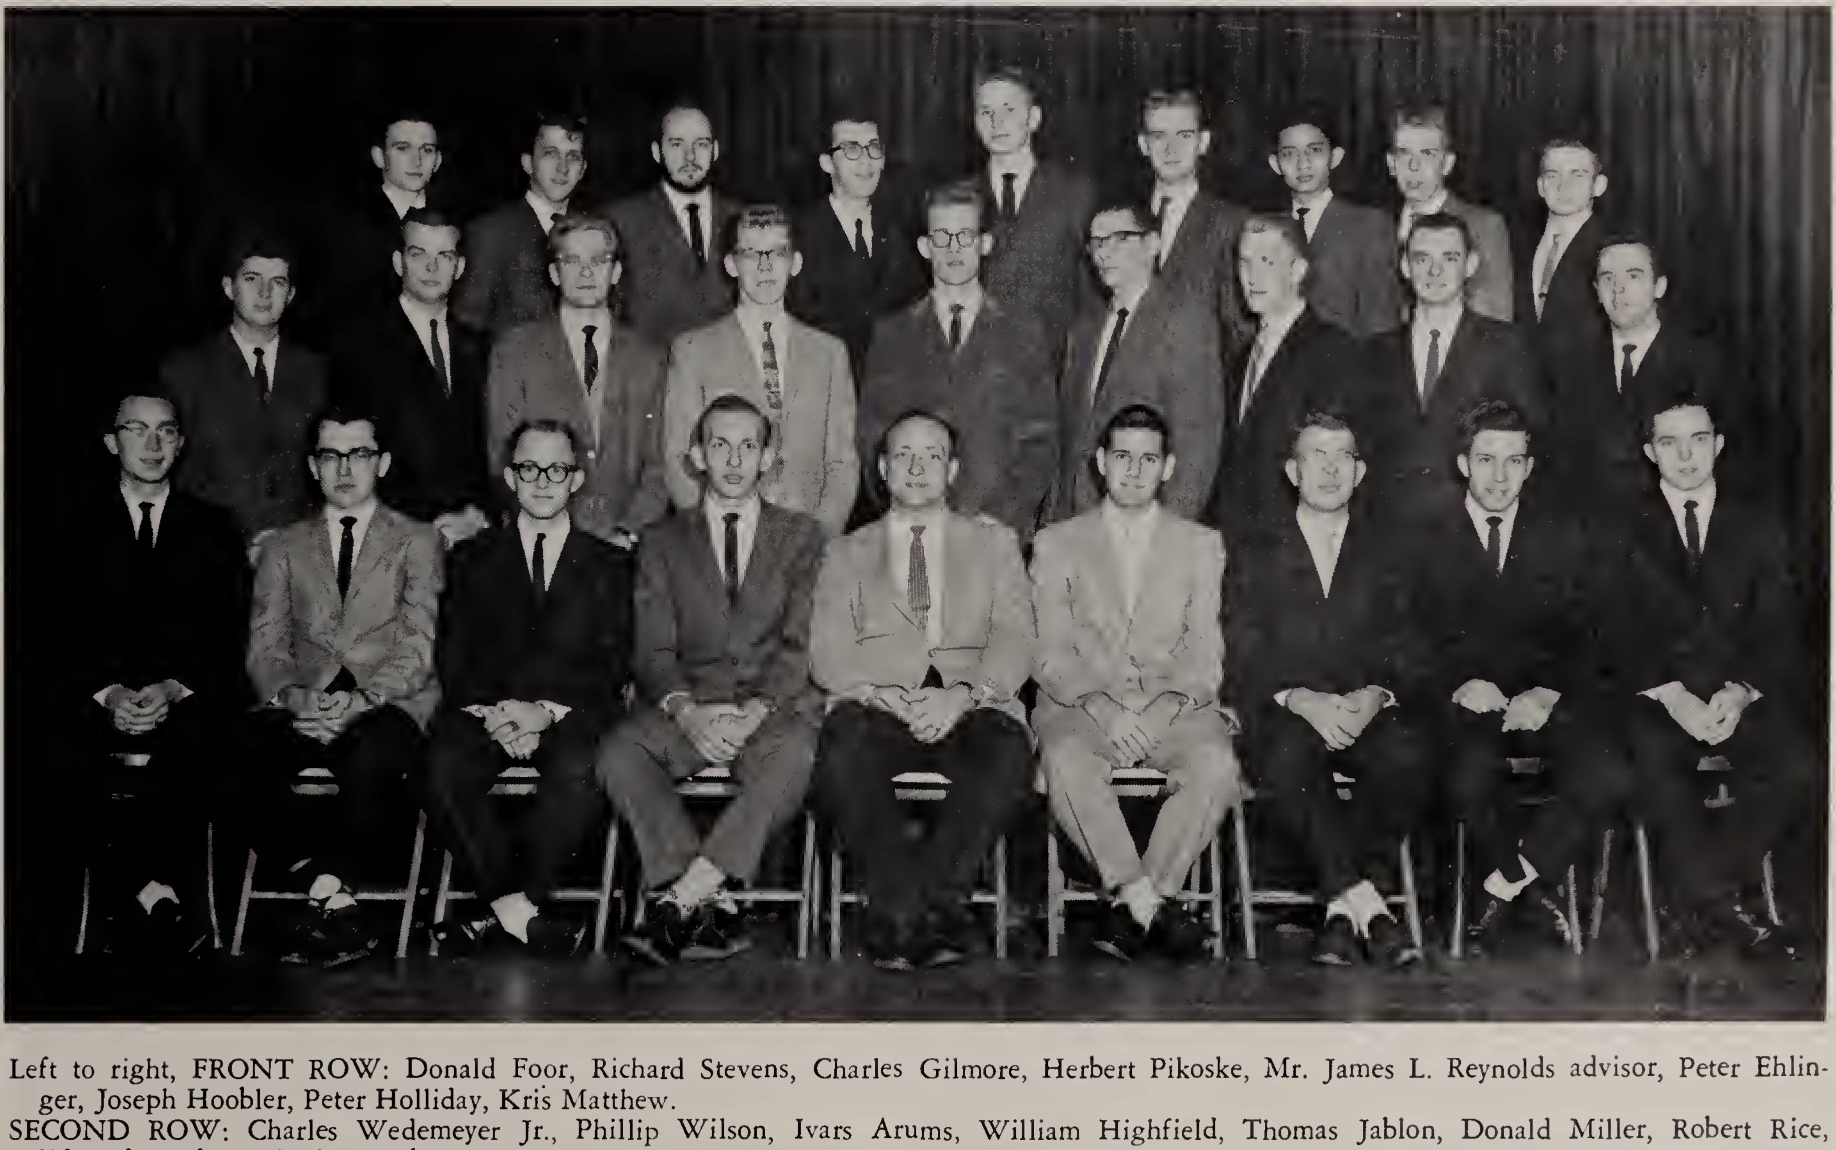
The Mechanical Engineering Society is an organization wherein engineering students can supplement their knowledge of the various phases of mechanical engineering.

Speakers, who are experts in their respective fields, present the latest information concerning their products and industry as a whole. Movies are obtained for some of the programs and are also used in conjunction with the speakers' talks.

The Society is affiliated with the Fort Wayne Section of the American Society of Mechanical Engineers. The dues paid to this organization are returned in the form of awards to society members who have done outstanding work in writing and presenting their engineering reports to the society.

Many activities were undertaken in the society this past year with the student paper contest topping the list. Co-sponsored activities with the A.S.T.M.E. and S.A.E. were the annual banquet and field trips. On field trips students are able to observe present manufacturing processes and practices, and thus better prepare themselves for their future as engineers.





Left to right, FRONT ROW: Donald Foor, Richard Stevens, Charles Gilmore, Herbert Pikoske, Mr. James L. Reynolds advisor, Peter Ehlinger, Joseph Hoobler, Peter Holliday, Kris Matthew.
SECOND ROW: Charles Wedemeyer Jr., Phillip Wilson, Ivars Arums, William Highfield, Thomas Jablon, Donald Miller, Robert Rice, Edward Londres, Charles Lamb.
THIRD ROW: John Jones, Regis Rudman, Fred Lennon, John Wehrly, Michael Carroll, Dennis Vogel, D. C. Mehta, Bruce Wessel, Donald Stickel.

AMERICAN SOCIETY OF TOOL AND MANUFACTURING ENGINEERS

Left to right, FRONT ROW: Donald Gould, Charles Wedemeyer, Mike Carroll, Professor Douglas Barton, Ted Dumbauld, Roger Metz, Jack Wanchisen.
SECOND ROW: Herb Pikoske, Charles Arch, Paul Kumro, Richard Veldt, James Stormont, Richard Salotti.
THIRD ROW: Jacob Kuiper, Pete Ehlinger, Fred Lennon, Eugene Lauzon, Wallace Matthew.

The Tri-State College Student Chapter #25, American Society of Tool and Manufacturing Engineers, offers to those interested in this phase of Mechanical Engineering, opportunities to hear fine technical speakers as well as interesting and informative films. In addition to the time spent in regular meetings, field trips to various industries are offered, in co-operation with S.A.E., M.E.S., and the industries themselves.

The A.S.T.M.E. program of development is tied in with the fact that the tool engineer is the key to greater productivity, as well as recognizing the need for continuing research and development in all major industries. Through the monthly publication, The Tool and Manufacturing Engineer, members are kept abreast of the latest developments in their various fields.

OFFICERS: *Fall Quarter, 1961*

INSTITUTE OF RADIO ENGINEERS

The I.R.E. branch at Tri-State College is a student governed, associate branch of the national organization of radio engineers. Its purpose is to keep the student abreast of recent technical developments in electronics and allied fields. Membership in the national organization may be transferred from student grade to associate or member grades depending on experience. Membership entitles the student to attend local and sectional meetings where the latest material in the electronics field is presented by engineers from educational institutions and industry. The student branch also sponsors field trips to industry and important I.R.E. conventions. As a member of the national organization, the student receives the "Proceedings of the I.R.E." and the "Student Quarterly."

NEWMAN CLUB

The Newman Club is a social and religious organization for Catholic students on campus. There are many such groups at non-Catholic colleges in the United States. The club provides its members with a well-rounded program of activities, highlighted by the quarterly open house at Leo Newman Hall. Membership is limited to Catholic students.

INTERNATIONAL STUDENTS ASSOCIATION

The International Students Association was organized during the school year of 1949-50 to aid in the plan of world peace and to give students an opportunity to have a mutual understanding of their foreign neighbors. This association has presented discussion programs for civic organizations in Angola and nearby communities. Our ideal can be stated in these words, "The Essence of Unity is Brotherhood." No barriers of language or customs have retarded our progress, because we all cherish the words of Socrates, "I am a citizen not of Athens, nor of Greece, but of the world."

The I.S.A. is *education* in that it provides the opportunity to learn more about the people of other lands, promote better understanding, and strengthen the friendly ties that exist among citizens of the world.

In the twelve-year history of the I.S.A. many members have become leaders in their own field, with a broader understanding of the people and cultures of other countries.

Tri-State College can be proud of extending a friendly hand to students from near and far, a warm hand that is helping to bring freedom to many people and helping those people shape their own destinities.

TRI-STATE CHRISTIAN FELLOWSHIP

Left to right, ROW ONE: James Otto, Donald Foor, Gary Green, Herbert Rickert, Charles Lynn.
ROW TWO: Wayne Haney, Howard Habig, Richard Veldt, Herbert Pikoske.

The Tri-State Christian Fellowship is a Chapter of Inter-Varsity Christian Fellowship, which is a national organization belonging to the Inter-National Fellowship of Evangelical Students.

The Inter-Varsity Christian Fellowship Chapter at Tri-State is one of nearly 500 groups in the United States and Canada. It is interdenominational and evangelical. The purpose is to bring before college students questions on religion. The Chapter was formed to provide fellowship for Christians in prayer, Bible study, and social activities.

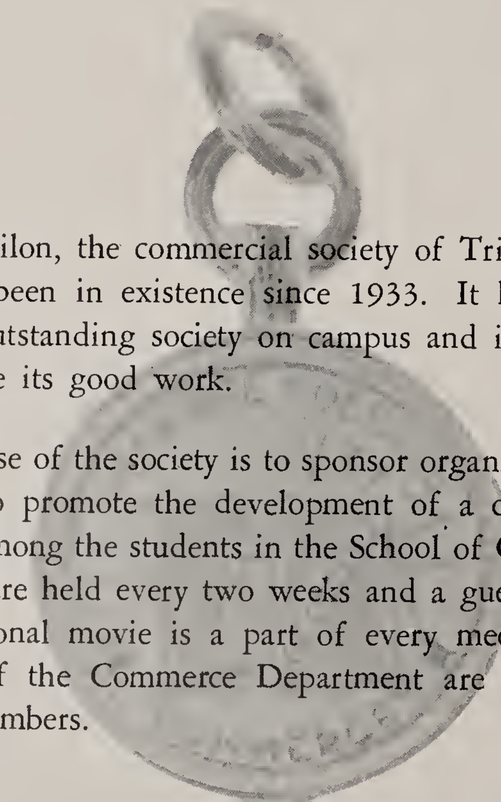
SIGMA EPSILON SOCIETY



Sigma Epsilon, the commercial society of Tri-State College, has been in existence since 1933. It has always been an outstanding society on campus and is expected to continue its good work.

The purpose of the society is to sponsor organized activities and to promote the development of a closer relationship among the students in the School of Commerce. Meetings are held every two weeks and a guest speaker or educational movie is a part of every meeting. All students of the Commerce Department are invited to become members.

The Tri-State College Amateur Radio Club is composed of students with a common interest in amateur radio. Classes are held in amateur radio subjects and Morse code whenever there is sufficient interest.

The club has equipment operating on 10, 15, 20, 40, and 80 meters CW, AM, and single side-band. Other club equipment includes 6 meter AM-CW and FM stations and novice equipment. The club, housed in the power sub-station building, has emergency generators for standby power supply.

The club station, formerly W9PMZ, was formally dedicated on October 14, 1961, as the Steele Memorial Station, W9BF, for the late Kenneth Steele of the Tri-State Faculty. Tri-State College is now a member of a select group of colleges and universities having memorial stations on campus.

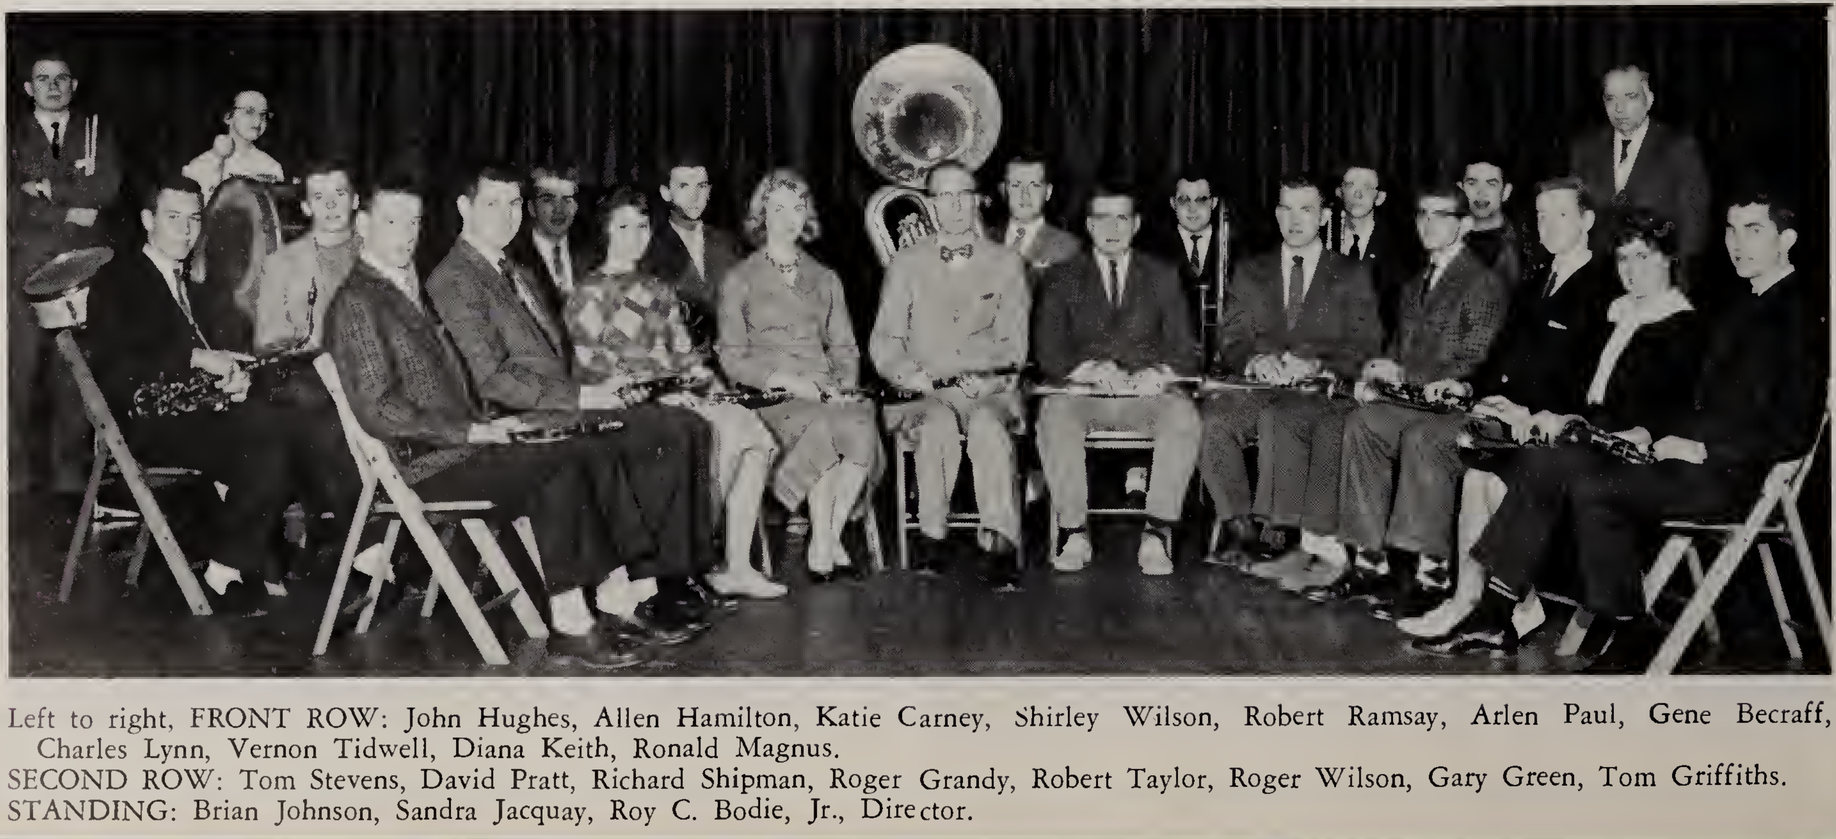
BAND

The Glee Club was founded at Tri-State College in 1953 by Mrs. Robert Ramsay, who serves as its director. Weekly rehearsals are held by the club. The group performs on many occasions throughout the school year, frequently in conjunction with the College Band. They also sing for high schools and other organizations in the Tri-State area.

The Tri-State College Band, reorganized early in 1947 through the efforts of Roy C. Bodie, Jr., who serves as director, has made a number of concert appearances during the past year. The Band also plays for campus and sports events. Programs generally include a wide variety of selections and arrangements, proving the versatility of the musicians.



Left to right, FRONT ROW: John Hughes, Allen Hamilton, Katie Carney, Shirley Wilson, Robert Ramsay, Arlen Paul, Gene Becraff, Charles Lynn, Vernon Tidwell, Diana Keith, Ronald Magnus.

Circle K of Tri-State College, founded in 1958, is a chapter of the "Circle K International," which was founded in the United States in 1947. A service organization sponsored by the Kiwanis Club of Angola, Circle K seeks to offer its service to the campus, school and community, by promoting civic and campus activities on the college level.

TRI-STATE HOMEMAKERS

The Tri-State Homemakers Club was organized to promote good fellowship among the wives of Tri-State students, and to offer educational and recreational opportunities to its members.

The organization has held a successful tea for new student and faculty wives, an annual event held so that we might become better acquainted with one another. Other activities have consisted of a bake sale, a supper with husbands as guests, and various programs concerning interior decorating, fashions, and modern homemaking.

Left to right, FRONT ROW: Sue Babinec—President, Iris Byrne—Vice-President, Mary Jo Quinn—Secretary, Rose Sprague—Treasurer.

THIRD ROW: Jim Staley, Gary Armstrong, Ed LaCroix, Salin Najjar, Erich Stapelfeldt, Rick Stevens, Mitch Rhoads, Bill Dinehart, Dick Salotti, Fred Kerestesy.

A student publication, The Tri-Angle, had its origin in December 1946 when Roy C. Bodie, Jr., college print shop director, found a need for an informative media to be published monthly as an extracurricular activity.

Aims and objectives of the Tri-Angle are to inform the student body, faculty and administrative staff of the campus activities; to help students to develop an appreciation of the newspaper; and to teach a sense of proportion to students for giving credit where credit is due and to criticize only when all the facts are present.

Gold keys are awarded each quarter to staff members that have done outstanding work while serving on the staff.

Each month the campus newspaper recognizes one student for his extracurricular activities and one for his athletic ability. Twice yearly, just prior to the graduation ceremonies, the staff pays tribute to the outstanding student for his scholastic ability, as well as for his extracurricular activities. The recipient of this award has maintained a good scholastic average and has found time to contribute to the school's recreational program.

Lucy Emerson, Director of News Service, is the advisor for the student newspaper.

STUDENT

Government . . .
of the Student . . .

The purpose of the Student Council of Tri-State College is to build school spirit; to represent the student body; to promote and coordinate social and intramural activities on the campus; to foster equitable and friendly relations between the student body and Tri-State College, and between the student body and outside factors.

Each member of the Council represents a society, fraternity or other student organization. In echoing the decision of the group he represents, the council member reveals to the Student Council the majority attitude of a segment of the student body. This allows the Council to act upon the wishes of a majority of the student body.

Vice-President	JERRY FISH
Treasurer	CHARLES WEDEMEYER
Secretary	GARY GREEN

MODULUS STAFF

Left to right, FRONT ROW: Jacon Golub, Kenneth Kodger, Jerry Fish, Michael Lesiak, Thomas Bowen.
SECOND ROW: Michael Bennett, Alex Calzaretta, Peter Robitaille, Ward Petrich.

The 1962 *Modulus* staff was a group of men from every phase of college life here at Tri-State. The staff was comprised from chemical, electrical, and mechanical engineers as well as business students. These men were active in all possible extracurricular activities as shown here on these pages.

This yearbook was produced solely by these students and those other students who helped with the preparation of their group's pages, who acted as *Modulus* Representatives. To these men and all men like them, who are willing to give so unselfishly of their time and talents in order to bring to you a finished product, goes the distinction of a job well done.

The 1962 *Modulus* staff wishes to thank wholeheartedly the faculty and administrative staff of the College for their cooperation throughout the year. We wish to especially thank the 1962 *Modulus* advisors: Dr. Richard DeGraff, Mrs. Lucy Emerson, Mrs. Elizabeth Orlosky, Mr. Roy Bodie, and Mr. Thomas Minter.

KEN KODGER—Editor-in-chief. Ken was also active in Tau Sigma Eta, President; Chemical Society, Secretary; Newman Club, House Manager; as well as Scout Master of Troop 189, Angola.

Ken spent more time in the *Modulus* office then he did in class, and it was often wondered whether his school work interfered too much with his extracurricular activities.

JERRY FISH—Business Manager. Jerry spent long hours on the financial and sales department of the 1962 *Modulus*.

Jerry was also active in Sigma Epsilon Society, President; Booster Club, and the Alpha Gamma Upsilon fraternity.

TOM BOWEN—Organizations Editor. Tom was also active in Chemical Society, President and Treasurer; Cameron Hall Fellowship, Inter-Dormitory Council.

Tom took the organizational pages of the *Modulus* and turned them into a thing of beauty. When the going got rough, Tom was there.

DON SHAW—Assistant Business Manager. Don was also active in Sigma Epsilon Society, Vice-President and Treasurer.

Don helped out Jerry in the financial and sales department. When we found ourselves a little shorthanded at the end of the *Modulus* year, Don was there to close out the books.

PETER ROBITAILLE—Ace Photographer. Pete was also active in the Newman Club and the Alwood Hall Fellowship.

AL HAMILTON—Ace Photographer. Al was also active in the Amateur Radio Club and the Tri-State Band.

Pete and Al both did an excellent job in the photography department from the very beginning to the trying final print. Many long hours were spent in the darkroom as evidenced by the number of prints in this year's *Modulus*.

MIKE LESIAK—Staff Artist. Mike was also active in Sigma Epsilon Society, Booster Club, and worked his way to a gold key in scholarship.

Mike's talents are seen throughout the *Modulus* and added that little extra that goes a long way in improving the appearance of a book.

JAY GOLUB—Photography Department. Jay coordinated much of the work in the early stages of photography for this 1962 *Modulus*.

WHOOOOSSSHHHHH!!!

Platt Hall looks back at this year's activities as spirit builders. Platt Hall's famed Black List helped incorporate college spirit during the Fall quarter by requiring the freshman students of the dormitory to wear their Beanies or be put on the Black List. Those freshmen who were continuously caught without them were challenged to a Tug-o-war by the upperclassmen. The event took place in the muddy swamp behind the dorm and the upperclassmen ate mud as a result of the freshman vigor. Much fun and laughter was had by all which raised the morale of all students.

Among other activities was a hay-ride through Pokagon State Park with a dance and refreshments after the hay-ride at Platt Hall.

Our officers of Platt Hall Fellowship are: President, Earnest Pink; Vice-President, John Roccoforte; Secretary-Treasurer, Gerald Legault; Sergeant-At-Arms, Ivars Arums. The needs and wants of the residents of Platt Hall are fulfilled by these industrious men who do their best to please the dormitory as a whole.

Mrs. Nelson, housemother for the 98 men who made their home at Platt Hall, is forever looking out for her boys and keeps them on the right track. She has all the boys under her wing.

Gary Meyers, Allen Greengurg and Dick Hansed, proctors of Platt Hall, assist Mrs. Nelson by helping the boys with their studies, social problems and also keep them in line.

The men of Platt Hall are very proud of their first attempt at snow sculpture which was of a Disneyland nature. The sculpture was of Donald Duck riding a moon rocket, as is pictured above.

The graduating seniors, who have lived at Platt Hall, are: Al Greengurg, Dan Miller, Ivars Arums, and Paul Kimro.

GENERAL HERSHEY DAY

GEN LB
HERSHEY

A Steuben County native, Lieutenant-General Lewis B. Hershey, National Director of Selective Service, alumnus and member of the Board of Trustees of Tri-State College, was honored in the 1962 Loyalty Day program in his home community on April 28. The day's events were planned by the district organization of the Veterans of Foreign Wars, and included a parade, address by General Hershey, and an appreciation dinner in the evening. Tri-State College organizations participated in the parade held during the afternoon. The people of the community presented General and Mrs. Hershey with a silver tray, which was engraved: "Presented to Lieutenant General Lewis B. Hershey in appreciation of his loyal and dedicated service to his country, from the citizens of Steuben County, VFW Loyalty Day, April 28, 1962."

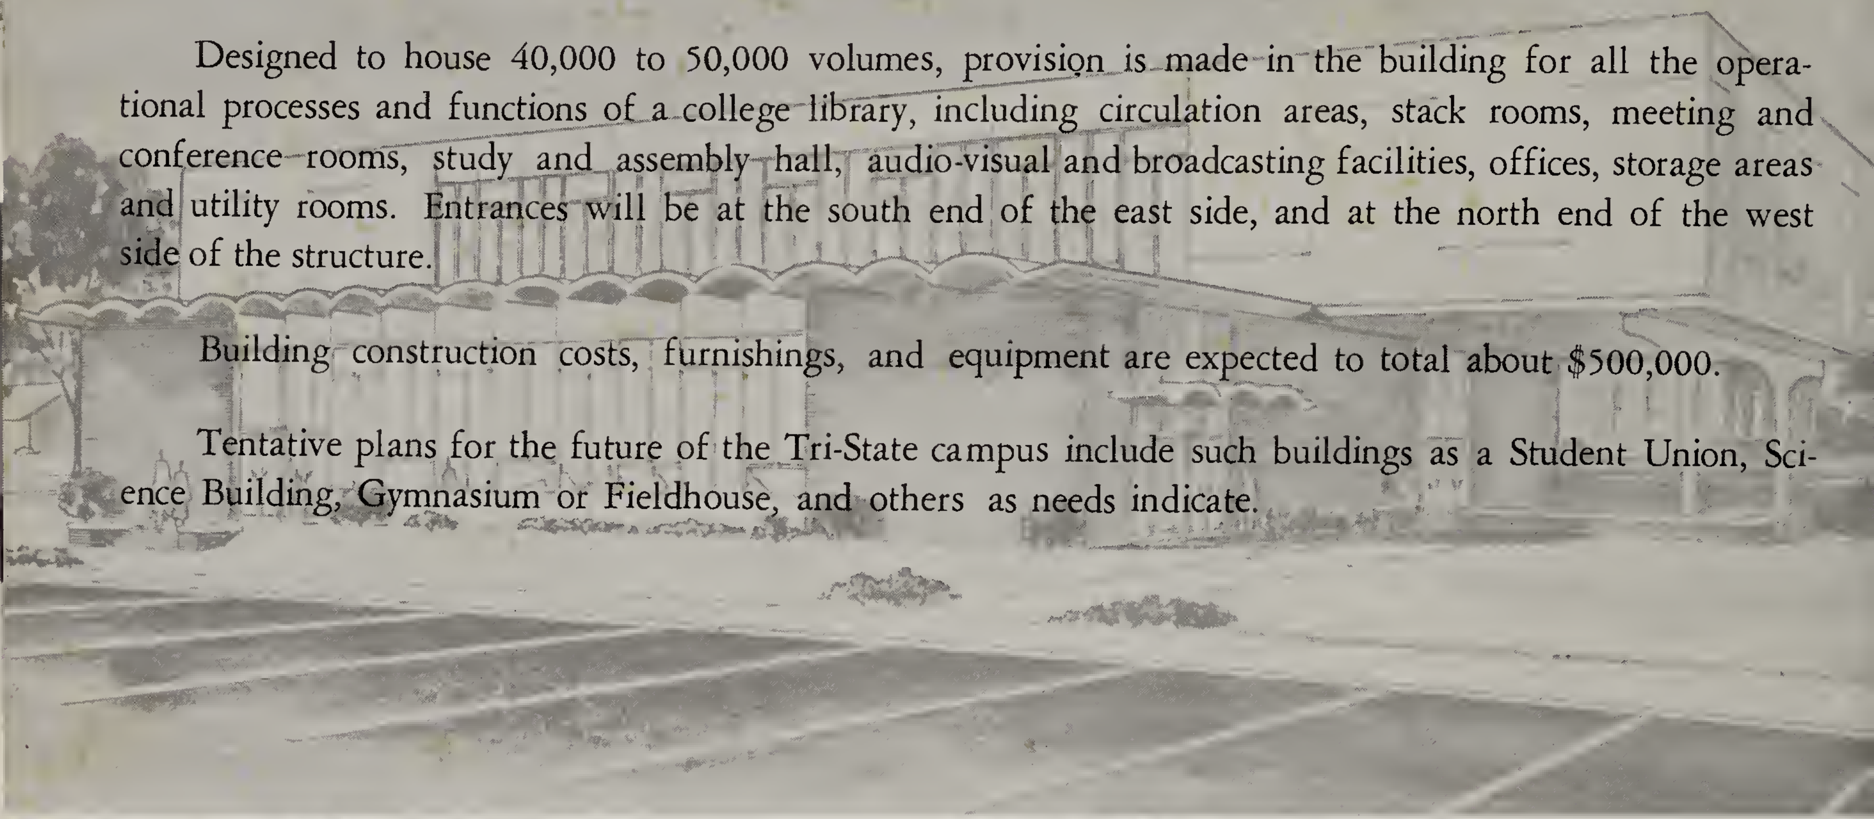
The Changing Face of Tri-State

The new library on the Tri-State College campus is expected to be completed by early fall. Ground was broken on August 5, 1961, during the Alumni Reunion. The two-story and mezzanine structure utilizes the terraced area at the southeast corner of the campus. The exterior of the building is to be of smoothfaced cut Indiana limestone around the upper levels, with brick covering the exposed portion of the lower levels.



Designed to house 40,000 to 50,000 volumes, provision is made in the building for all the operational processes and functions of a college library, including circulation areas, stack rooms, meeting and conference rooms, study and assembly hall, audio-visual and broadcasting facilities, offices, storage areas and utility rooms. Entrances will be at the south end of the east side, and at the north end of the west side of the structure.

Building construction costs, furnishings, and equipment are expected to total about $500,000.

Tentative plans for the future of the Tri-State campus include such buildings as a Student Union, Science Building, Gymnasium or Fieldhouse, and others as needs indicate.
